## Pumpkins anyone?

Hundreds of pumpkins are currently on sale at 6150 Middlebelt Road in Romulus for the Halloween season. A unnamed workman is shown arranging the pumpkins so that customers can easily pick one of their choosing. ANP photo by Ken Garner

## White 'will be missed' by many

By AL POST  
ANP Staff Writer

Gilbert Eugene White, known to many as "Mr. Romulus", was laid to rest Monday.

Seven years ago, when Mr. White was named the Greater Romulus Chamber of Commerce Person of the Year, he was asked by chamber executives "Who should we invite?"

Mr. White, without a trace of egotism answered, "Invite the whole city, because I know them all."

In making the comment, Mr. White wasn't far wrong. During his many years in Romulus, Mr. White belonged to and was president of just about every social organization there was in the city, as well as being extremely active until with the chamber and St. Aloysius Catholic Church until his death.

Current Romulus Chamber President Mark Lewkowicz explained, "Gil White was just a man who could never say no. It didn't matter, whether the service request came from an individual, business associate or service club."

"Up to the last minute, he was there for Romulus," Lewkowicz said. "He was pitching in to help on Aug. 20 when the chamber brought in the circus, days later at our golf outing and even on Labor Day he was there to assist with the annual St. Aloysius Festival."

"The greatest tribute I can pass on," Lewkowicz said, "is to say he will be surely missed."

Lewkowicz's praise was echoed by City Councilman Noah "Pete" Bergeron, another close friend of Mr. White.

"Gil was the nicest gentleman I ever met in my life," Bergeron said. "He was a constant giver to his community and his church. His spirit will definitely be missed in this community."

Bill Crane, another of Mr. White's close friends and fellow chamber board member, stated "I have never met anyone so dedicated to his family, church and community."

Crane, who handled Mr. White's funeral arrangements, said he fished annually with Mr. White in Canada and many times Mr. White would worry about getting back to Romulus early enough to take part in some church or community function.

"Gil donated many of his electrical skills to local projects and even assisted me when I was building a new funeral home here. He often poked fun about the bills for the services he would provide," Crane said, "and the standing joke here for many years was he in turn deserved to get a \$28,000 funeral."

Crane said the thing he would miss most about Mr. White "will be our daily conversations. I often would have a quick breakfast or lunch with Gil...or if nothing else share a daily telephone call with him discussing local issues."

On Monday night, the city council members at the request of Mayor pro tem Mary Ann Banks approved a resolution praising Mr. White's services to the community and extending their sympathy and prayers to his family.

Mr. White died Oct. 7, 1992 at Annapolis Hospital in Wayne. He was born Jan. 17, 1915 in Charlestown, W. Virginia.

Mr. White was a former purchase parts analyst for Ford Motor Co. and since 1967 operated Dadsons Electric Co. of Romulus.

He was active with the Chamber, Father O'Kelly Council of the Knights of Columbus of Dearborn, Gregorian Club and the

Progressive Club. He earned a third degree with the K of C and also was past president of the Chamber of Commerce, Romulus High Investment Club, St. Aloysius Festival Committee and the church Parish Council and the American Society of Tooling Manufacturing Engineers.

He was president of the church Usher Club and was active with the Southern Wayne County Chamber of Commerce.

He also was a U.S. Army veteran of World War II.

Surviving are his wife, the former Olive Lynch; two sons, Gilbert Jr. of Romulus and Gerald Lee White of Ogden, Utah; two daughters, Mrs. Dennis (Merald Lynn) Worsley of Westland and Lois R. White of Romulus; a brother, Cygnal "Gale" White; two sisters, Gladys O. Baldwin and Lucille Sylvester of Sumpter Township; 14 grandchildren, and 8 great-grandchildren.

The funeral was at St. Aloysius Catholic Church with Father Michael Malawy officiating.

In his eulogy, Malawy said if the world had more Gil Whites, it would be a much friendlier and happier place in which to live.

The family requests that memorials be sent to the Diabetes Association.

Gil White

## Foster homes are topic of meeting

By AL POST  
ANP Staff Writer

A head-to-head question and answer session between angry Romulus homeowners and the area manager for the state adult foster care program could occur soon.

Romulus City Clerk Linda Choate, at the urging of Councilman Jimmie Raspberry, said such a meeting could be arranged with Adult Foster Care Area Manager Tom Stuve if those residents opposed to what they call "clustering of foster care homes in Romulus" wish to attend.

Complaints were addressed to City Council members months ago from home owners, who complained that they felt that Romulus was being over-loaded with such homes, while other nearby communities were not assuming a fair share.

Choate was urged to send a City Council resolution opposed to the so-called clustering to the state Department of Social Services.

Choate recently received a letter in response to the resolution from James Quigley, director of the AFC licensing division, reminding the council, "The Department of Social Services, as well as the City of Romulus, is required to adhere to the requirements of the Federal Fair Housing Amendments Act passed in 1988."

Quigley explained that the amendments added children and handicapped individuals to the discrimination protection areas listed in addition to those of race, color and national origin.

At the recommendation of

Mayor Beverly McAnally and Mayor pro tem Mary Ann Banks, Choate read into the official record a portion of Quigley's five-page letter.

In it he explained currently there are five pending Michigan court cases involving FFHAA issues.

He stated, "There is no such thing as 'constitutional' or 'permissible' discrimination. The U.S. Congress in enacting the FFHAA appears to be willing to suffer the risk of congregating facilities in order to guarantee to handicapped individuals the right not to be discriminated against."

Quigley further stated, "Any laws that impose more stringent conditions on handicapped individuals than are imposed on the public at large are in conflict with the act."

In an attempt to explain the courts position, he stated, "The courts would find it offensive and contrary to law to require that black families, Hispanics or Catholics could not move into a community because there was already a large number of them (excessive concentration) or because the community sentiment about them would prevent them from 'enjoying a normal living experience and participating fully in the mainstream of community life'."

Quigley said computer records show 26 licensed adult foster care units are currently in Romulus and he has urged Stuve to remain in contact with the city of Romulus on matters relating to them.

Further inquiries should be directed to the local city clerk's office or that of Area Manager Tom Stuve at 313-256-3616.

## Candidate security costs will increase

By AL POST  
ANP Staff Writer

The security costs for the 1992 Presidential campaign have already trickled down to Romulus—in the form of nearly \$5,000 in overtime pay for local police officers.

Police Chief Fred Dansby said most of the time consumed by the police department has been in planning Presidential motorcades and their related details.

Dansby said the cost (\$4,985) to date comes mainly from President Bush's visits to nearby Canton Township and Plymouth.

"The city of Romulus plays an important part in motorcades provided by presidential and vice presidential candidates during election years," Dansby wrote to the council.

"There are traditional meetings at the United States Secret Service offices in Detroit for every event and we must attend to provide input on the best routes, alternatives and discuss manpower allocations," his letter explained.

"From time to time," the chief wrote, "we are asked by the Secret Service to assist in making test runs on the routes."

"The most costly portion of the motorcade details,"

There are traditional meetings at the United States Secret Service offices in Detroit for every event and we must attend to provide input on the best routes.

- Fred Dansby  
Police Chief

Dansby said, "are for traffic control and regulation that we provide for the candidates...since traffic must be stopped at all intersections along the motorcade route."

"We attempt to use on-duty personnel," Dansby said, "however it is not always possible to do so."

"Encompassed in the figure quoted," he said, "are two separate mutual aid commitments for which we were obligated to send personnel. One was for a

campaign visit to Canton Township and the other was the train tour stop in the city of Plymouth, both by President Bush.

# Ahhhhhhh, romance

## Sweetest holiday appeals to romantics

By JOAN DYER-ZINNER  
Belleville City Editor

Jane Vesche is sure that her husband, Ron, will never forget Sweetest Day, and neither will she.

As owners of a flower shop in downtown Belleville, the Vesches are well aware of Sweetest Day and all of the other holidays. For days, and sometimes weeks, before a holiday, the Vesches and their staff are busy making preparations for the special day.

After coordinating the ordering, designing and delivering of cut flowers, baskets and vases, the Vesches are ready to quietly settle down and observe the holiday themselves after business hours.

"After a busy week, I think it will be nice to celebrate Sweetest Day with a nice dinner," said Jane Vesche, co-

**"**  
*We had our special celebration last week, and we'll probably have a nice dinner on Sweetest Day. Of course, flowers always are part of our holiday celebration.*  
**- Ron Vesche**

owner of Main Street Florist.

October is a special month for the Vesches who celebrated their 23rd wedding anniversary last Saturday.

"We had our special celebration last week, and we'll probably have a nice dinner on Sweetest Day," Ron said. "Of course, flowers always are part of our holiday celebration.

Jane Vesche noted that, while roses are always a favorite with sweethearts, many people order vases of flowers for the holiday.

"Our designer, Phyllis Jackson, made a beautiful arrangement of pink carnations, mums, white daisies and purple statice," she said. "Whether people choose baskets of fresh flowers or elegant vases, flowers are the best way

to express a Sweetest Day wish. They convey the message, 'You are very special to me,' to the recipient."

In addition to gifts of flowers, sweethearts exchange greeting cards with special sentiments and present candy, jewelry, books, tapes and stuffed animals to their significant others.

Although most of those who observe the holiday exchange gifts with their fiancé, spouse or steady date, Sweetest Day also is a time to honor friends and family members who have performed special acts of kindness or sweetness. It is an opportunity to express appreciation to a favorite aunt or uncle, a grandparent, a thoughtful neighbor or a special child.

In other words, Sweetest Day is a time to say "I love you" to the special people in our lives.

Jane and Ron Vesche wish each other a happy Sweetest Day just one week after celebrating their wedding anniversary. ANP photo by Larry DiVizio

## Sweetest Day celebrations vary in area

Thomas Yack

Thomas Yack knows what pleases his wife, Barbara, after 23 years of obvious marital bliss. The learning process, Yack said, is far from over, but the Canton supervisor is convinced that changing an age old bad habit will be the perfect Sweetest Day gift.

"The next time we go to a musical (play)," Yack said Tuesday, "no matter what it is, *Guys and Dolls* or whatever, I'm going to promise Barbara that I will never fall asleep again."

What more can a man give or could a woman ask?

John Colligan

Wayne Police Chief John Colligan really knows how to romance his wife, Pat.

This Sweetest Day Colligan plans to buy his wife a dozen red roses, her favorite flower. He also intends on making reservations at their favorite restaurant in Windsor.

"I plan on taking her to the Old Steak House in Windsor," Colligan said. "We went there when we first got married. We both enjoy the food and the atmosphere."

What Colligan said he wants to know is what is Pat going to do to surprise him?

Phyllis Jackson, designer for Main Street Flowers, arranges a floral grouping for a Sweetest Day gift. ANP photo by Larry DiVizio

For Sweetest Day, Wayne-Westland schools Chief Fiscal Officer Randy Liepa plans on spending part of the day in the park and part of the day eating pizza.

Liepa won't be spending the afternoon alone though. Instead he will celebrate the day with three of his sweethearts—his daughters Erin, 3, Kelsey, 1, and his wife Peggy.

Liepa said he would take the girls to the park to play in the afternoon and after they have worked up an appetite he will take them to Chuck E. Cheeses Pizzeria.

"I want to do something with my two little girls in the afternoon and then plan something a little later in the day for my wife Peggy," Liepa said.

Randy Liepa

James Napiorkowski

In recent years life has gotten quite hectic for Romulus City Treasurer James Napiorkowski, so he is looking forward to a relaxing Sweetest Day dinner and movie with his wife of 21 years, Geli.

Napiorkowski, who has served as city treasurer for the last five years, has found that family time needs to be planned, so that it can lead to quality experiences week-in and week-out.

The Napiorkowskis have two children, a son, Jim Jr., who is serving with the Air Force in Virginia; and a daughter, Michelle, who graduated from Romulus High School this June.

Napiorkowski said dinner at a quality restaurant that features some privacy and a movie that offers action and adventure is his family choice for a Sweetest Day celebration.

ROMULUS NEWS

DIGEST

2,500 voters

register with clerk

More than 2,500 Romulus voters registered for the November election in recent weeks, City Clerk Linda Choate told the City Council members Monday night.

With an angry mood currently being displayed by voters and numerous referenda on the ballot, it will be interesting to see if that means more voters on Election Day, political veterans said.

"It seems to be one thing to get them registered and another to get them to the polls," one political observer said.

Police identify

murdered man

The identity of a man found shot to death outside Cypress Park last Friday morning was released by Romulus police Monday.

The victim, who was shot several times, was identified as Rodney Keith Martin, 36, of Romulus.

Police found the body shortly before 2 a.m. sprawled in a grassy area outside the park located on Cypress Street and Hunt Road, west of Wayne Road.

Police are treating the death as a homicide, a spokesman said.

Police do not

endorse fund drive

The Romulus Police Department is not endorsing a string of phone calls seeking solicitations for a group called Tri-County Law Enforcement Officers.

Councilman William Wadsworth said a Romulus businessman received a call from a Tri-County representative and agreed to a \$10 donation. But when the representative arrived, he claimed a \$50 pledge had been made, Wadsworth said.

The businessman then contacted Wadsworth.

Lt. Kenneth Kraus of the Romulus Detective Bureau said, "The Romulus Police Department does not endorse such solicitations and does not do phone solicitations."

The callers infer they are working in conjunction with the city DARE program, Wadsworth said.

Mayor Beverly McAnally urged residents not to send money or checks to such group solicitations. In addition she advised, "Do not give them your credit card numbers and do not tell them anything about yourself."

Homeless shelter

fundraiser slated

A musical fundraiser for the Wayne County Family Center, a unit that has aided over 700 homeless families in the county, is planned for 8 p.m. Oct. 21 at the Token Lounge in Westland.

Three rock 'n' roll bands will perform at the fundraiser until about 2 a.m.

Tickets at the door will cost \$5 each.

The fundraiser is the first for the group.

Secretary of state

plans in-service class

The Romulus Secretary of State branch office at 36539 Goddard Road will be closed the morning of Oct. 27, 1992.

During those hours the branch employees will be undergoing an in-service training program.

The branch will open promptly at 1 p.m. that day.

Services will be available that morning at the Belleville office at 847 Sumpter Road and in Taylor at 23027 Ecorse Road.

Romulus sailor

completes training

Navy Seaman Recruit Kevin M. Oakley, son of Ken G. Oakley of Romulus, recently completed basic training at Recruit Training Command in the Great Lakes area.

A 1992 graduate of Woodhaven High School in Flat Rock, Oakley joined the Navy in June 1992.

Engler signs

Toughest pornography penalty bill will aid prosecution efforts

By AL POST  
ANP Staff Writer

Pornographers convicted of second offenses now face up to \$5 million in fines in Michigan, following Gov. John Engler's signing of the long sought anti-pornography bill.

Michigan has long been a haven for pornographers, area law enforcement officials said. But with the recent passage of HB 5148, Michigan now has one of the strongest penalty provisions in the nation.

An initial charge of obscenity is treated as a misdemeanor and a conviction can lead to imprisonment for not more than a year and a fine of not more than \$100,000 or both.

A second conviction carries with it the felony penalty of not

**"**  
*We just see green lights ahead and no impediments for obtaining successful pornography prosecutions throughout the county.*  
**- Ray Walsh**

more than two years in prison and a fine of up to \$5 million.

The passage of the tough new anti-pornography bill, strongly endorsed by Wayne County Prosecutor John O'Hair, was approved recently by a 94-1 State House of Representatives vote and a 34-3-1 Senate count.

Assistant Wayne County Prosecutor Ray Walsh said the prosecutor's office is extremely pleased with tougher anti-smut bill.

"We just see green lights ahead and no impediments for obtaining successful pornography prosecutions throughout the county," Walsh said.

Spooks galore

Scores of students from Romulus Senior High School and Wayne Memorial High School will don typically spooky costumes for the three weekend Haunted Hayride festivities at the Par Driving Range on Ecorse Road in Romulus. Visitors will be invited to join in a 12-minute haunted hayride throughout the golf area from 7 to 10 p.m. Thursday through Saturday beginning tonight through Halloween. Cost is \$5 per adult and \$3 for those 12 and under. Group discounts are available. Additional information can be obtained by calling 722-4650. ANP photo by Ken Garner

Romulus teen seeks title

By AL POST  
ANP Staff Writer

Thirteen-year-old Julia Unger of Romulus is one of 300 candidates, who have made it to Level I of *Teen Magazine* 1993 Miss Teenage America program.

Julia, daughter of John and Sandra Unger, is an eighth-grade student at St. Cyprian School in Riverview.

She is student council president there and has been active in the school recycling program.

Julia's key interest is figure

skating. She skates four days a week and is a member of the United States Figure Skating Association. She competes in Wayne, Detroit, Brownstown Township and Plymouth.

She also participated in the Aquinas Olympics in the downriver area.

Forty semi-finalists will be named in December. The competition will be based on responses the teens give to questions relating to home and school life, goals and current affairs.

The program was established in 1961 and is aimed to

recognize young women between the ages of 13 and 18.

Twelve finalists will be selected and will appear in January 1993 issue of *Teen Magazine*.

All finalists will be flown to Los Angeles for a full week of activities including judging, sightseeing, modeling and media appearances.

The winner will receive \$15,000 in college scholarship funds from Kmart Fashions, a Kmart wardrobe and her own monthly column in *Teen Magazine*.

Homecoming to welcome alumni

By AL POST  
ANP Staff Writer

Who will be the king and queen of the Romulus Senior High School Homecoming Weekend?

Queen candidates include Barbara Markowski, Talia Tripp, Cathy Brown, Tameka Garner and Lisa Donathan.

King candidates include Bob Bergeron, Joe Kusibab, Rob Graham, Mike Grube and LeRoy Prince.

As usual the Homecoming

Parade, complete with about 200 participants and floats, will begin at the Romulus City Hall. It will then travel to the junior high school, where the highly successful Romulus Varsity Football squad (4-2) will take on Milan High School.

The theme of the festivities this year will be "movies."

In keeping with tradition, the theme of each class float remains a closely-guarded secret.

The king and queen will be

announced at half time and the winner of the float contest will be revealed.

For the first time, an official Romulus High School Alumni Tent will be on the grounds near the refreshment stand. Alumni members are urged to stop by and pick up a free gift and refreshments.

The Homecoming Dance is planned for 7 p.m. Saturday at the high school. Tickets are \$7 for a single person and \$12 for a couple.

Museum seeks old mannequins

By AL POST  
ANP Staff Writer

The Romulus Historical Museum is now open almost every Sunday from 1 to 4 p.m., according to president Pearl Varner.

The museum located on Hunt Street, next to the Romulus Post Office, already has been visited by hundreds of area residents and visitors

since September, Varner said.

More than 450 persons visited the museum on Sept. 19, when the Romulus Arts Commission sponsored an arts and crafts fair. Another 150 persons visited the museum on Sept. 12, when the Romulus Historical Park was dedicated by Mayor Beverly McAnally and other city officials.

Included now in the Historical Park are the museum, gazebo and a caboose.

The next regular meeting of historical society members will be at 7 p.m. Oct. 21 at the Romulus Library. The public is invited. The featured entertainment that night will be the movie *Rosie the Riveter*.

Varner also noted that the group is searching for several male mannequins for use in the museum.

Information is available at 697-9628.

In Detroit alone, even with the limitations of the old anti-porn legislation, the Wayne County Prosecutor's Office effected 11 pornography convictions. The new law should greatly enhance that number, according to a spokesman.

Prosecutors also anticipate greater success in appeals, Walsh said. In the past two years three appeals were filed in pornography cases, he said.

The new law will pull a major rug out from under the defense plans of pornographers, Walsh said.

Lobbyists against the bill (HB 5148) included the Video Software Dealers Association, the American Civil Liberties Union, the Movie Producers Association of America, the Recording Industries Association of America, the American Library Association and various convenience stores.

Bill Johnson, president of the American Family Association of Michigan, said, "The strong support from the House and Senate is yet another indication that the people really do desire that pornography be eradicated from the American scene."

Johnson meanwhile rapped the mega-media in Michigan, who he claims came out strongly against the bill, and then barely wrote a line about its passage.

Another bill aimed to cut into the sale of child pornography in Wayne County and other parts of Michigan also is being primed for action by legislative forces in Lansing.

Mizinski.

Also Cathy Pullen, Charlotte Richardson, James Roberts, Althea Butler Savage, John Silveri, Luis Soto, Roberta Steffen, Linda Van Lue, Julie Olah White, Dennis Winnie, Christ Woodruff and Sharon Young.

Still remaining on the school district's recall list according to seniority are: Anita Jordan, Nancy Lott, Therese Nesteruk, Linda Smith, Shellie Moore-Kosino, Kathleen Baker, Sandra Pauleen, Alicia Del Toro-Kobane, Jaelyn Dolan, Jane Straith-Rose, Michael Rains, Cathy Pullen, Daniel Stearn, Renee Casillas, Laura Shannon, Richard Darga, Scott Ramsey and Bonnie Levinger.

36 teachers offer

resignations

By AL POST  
ANP Staff Writer

Thirty six laid off teachers in the Romulus School District have voluntarily resigned from their positions in return for a \$2,000 incentive.

Those accepting the technical buy out were Catherine Allison, Catherine Bauer, Larry Biggs, Frank Chapp, Lynn Cleary, Deborah Constand, Karen Dahlstrom, Lori DeNeff, Denise Dombeck, Harriet Downen and Barbara Dyell.

Also Robert Edwards, Jill Fleming, Janice Fisher, Richard Frey, Judith Gunn, Jill Haislip, Ronald Harper, Daniel Henry, Alberta Jones, Cathy Masters, Mary McGill, William McGill and Edward

With Daylight Savings Time soon to end, Romulus Fire Chief William Greenslait is urging residents to use the time change as a safety reminder. "On Oct. 25 change your smoke detector's battery at the same time you change your clock," Greenslait said.

Greenslait said when you change your clock you will gain an extra hour sleep, when you change your battery you could add many years to your life.

"Smoke detector maintenance is one of the simplest, most effective ways to reduce thousands of deaths and injuries caused by home fires each year," he said.

In fact, a working smoke detector cuts the risk of dying in a home fire by almost half, Greenslait stressed.

To save lives and prevent needless injuries in Romulus, he said, the fire department has joined forces with the International Association of Fire Chiefs and Energizer Batteries for the annual "Change Your Clock, Change Your Battery" campaign.

Fire chief offers

safety suggestions

By AL POST  
ANP Staff Writer

**"**  
*Many people think they will smell the smoke from a fire, or that it will wake them up.*  
**- William Greenslait  
Fire Chief**

Greenslait urged residents to get in the habit to change their smoke detector batteries every time they change their clock each year.

"Many people think they will smell the smoke from a fire, or that it will wake them up, but by then, it is often too late," he warned.

A working smoke detector is the best home defense because it gives residents an early warning and critical extra seconds to escape, he said.

In addition to changing the battery, Greenslait said, residents should also press the detector test button, change flashlight batteries and practice safety escape routes from the home.

Handgun sale OK'd

Thirty seven used Romulus Police Department handguns were sold to a Texas firearms dealer for \$4,412 Monday night.

The City Council supported Police Chief Fred Dansby's recommendation that the old service weapons be sold to the highest of 11 bidders.

The winning bid was offered by Taylor Enterprises, a federally licensed firearms

dealer, from Corpus Christi, Texas.

A separate bid of \$310 also was accepted for the purchase of various old police uniform pieces, including hats, shirts and pants.

The lone bid by International Security System of Garden City was recommended for acceptance by Dansby.

Both bids were accepted unanimously.

NOTICE

MICHIGAN DEPARTMENT OF TRANSPORTATION

AVAILABILITY OF SUPPLEMENTAL ENVIRONMENTAL ASSESSMENT FOR THE PROPOSED CONSTRUCTION OF AN INTERCHANGE AT I-94 AND VINING ROAD

All interested citizens are advised that the Michigan Department of Transportation is proposing to construct an interchange on I-94 at Vining Road in Wayne County

A public hearing concerning this project was held on December 5, 1991. As a result of the public hearing process, a Supplemental Environmental Assessment was developed in response to concerns raised by the U.S. Fish and Wildlife Service, the U.S. Environmental Protection Agency, and the Michigan Department of Natural Resources. Concerns were raised concerning secondary impacts in relationship to the interchange, and the wetland mitigation for the proposed interchange. This Supplemental Environmental Assessment addresses those concerns as well as describing the design alternatives and their potential impacts on the existing social, economic, and natural environments. Copies of the Supplemental Environmental Assessment for this project may be obtained from the addresses below.

Those disagreeing with the determination set forth in the Supplemental Environmental Assessment are invited to furnish written comments summarizing the specific substantive and factual basis for such opposition. Please address those comments to:

Philip J. Chisholm	James Kirschensteiner
Public Hearings Officer	Programs Engineer
Bureau of Transportation Planning	Federal Highway Administration
Michigan Department of Transportation	P.O. Box 10147
P.O. Box 30050	Lansing, MI 48901
Lansing, MI 48909	

Such comments must be received on or before November 2, 1992.

To further assist you, information on this project may be obtained by calling (517) 373-9534.

ACROSS THE STREET FROM IGA STORE

# Sporting thieves strike area homes

By CRAIG GARRETT  
ANP Staff Writer

Canton Township Police are concerned that someone is selling stolen merchandise to local sporting goods stores, according to Tammie Colling, community relations officer for the township.

Jim Fleszar, store manager of "Play It Again Sports" in Canton Township, said the one-year-old store has been visited recently by distressed homeowners looking for golf equipment stolen from their homes.

"Since we resell equipment this is the obvious place to look," Fleszar said. "If I had golf clubs stolen this is the first place I'd go."

Canton police said a northern township subdivision reported three incidents of stolen golf clubs last week and other township homeowners have reported similar losses during the last three months.

Colling said department investigators were not seeking missing golf equipment or suspects connected to the crimes, but Fleszar said police from two agencies have visited the store several times since the November 1991 opening.

"We've met with Canton police," Fleszar said, "to discuss ways of stopping anyone from selling stolen equipment. We don't want this business to become known as a pawnshop. It's too bad a few people want to spoil a good thing for everyone else."

Fleszar said five Canton residents have come to the store to check golf inventory for equipment that possibly could be theirs. One woman found a missing golf bag, Fleszar said, but later discovered her son had sold the bag months earlier.

"Everything we have is on the floor," he said. "We don't trade equipment with our other store (Novi). What you see here is what we have."

Some golf equipment has been confiscated by Westland police and Fleszar said he has

Jim Fleszar, manager of Play It Again Sports in Canton Township is as puzzled as township police regarding the increase in thefts of golf clubs in Canton recently. ANP photo by Ken Garner

voluntarily returned other stolen golf gear to owners.

Residents have left a detailed description of stolen equipment with Fleszar who promises to check the list against golf clubs purchased from people in the area.

State police may soon require businesses catering to resale equipment to ask for proof of identity and a thumb print from sellers. A sales list would be forwarded to police officials within 48 hours to be kept on file, a state police official said. Pawnshop owners are mandated to follow similar rules, according to police.

Play It Again Sports is a Minneapolis resale firm experiencing amazing growth. Since 1988 the firm has franchised 400 locations in 45 states. The business was founded by company president Martha Morris in 1983. John Leffler is director of franchising.

"It's impossible to prevent everything from coming in the stores to be stolen," Leffler said Thursday. "But we can detect most stolen merchandise

and we will call police. It doesn't take long for word to get on the street that we don't accept stolen equipment."

Leffler said sporting gear is not as readily turned into cash as some other things like appliances or jewelry.

"But we do get burned occasionally," he admitted. "If something in our stores is stolen and the owner can

prove it we have to return the merchandise. It's that simple."

Fleszar said the Canton store now requires a driver's license from a seller before issuing a receipt.

"I've turned down several teens selling \$600 sets of clubs," he said. "If they'll take \$40 I know they're just looking for beer money and I kick them out."

weighs just about three pounds per cubic foot.

## THANKS TO YOU, WE'RE PUTTING THE HOMELESS PROBLEM TO BED.

Almost 30,000 people each year have no place to call home in Wayne, Oakland and Macomb counties. They sleep where they can, not where they choose.

You're helping to change that. Because your donation helps support shelters at the Salvation Army and C.O.T.S. These Shelters provide a place that the homeless can call home.

The United Way supports 145 agencies. Nearly 90 cents of every dollar you contribute goes directly to work, since only 10.4 cents goes toward campaign and administrative costs. Your contributions help the unemployed, the substance abuser and the hungry, right here. For the homeless and others, please give to the United Way. And put this problem to bed.

STILL THE BEST WAY TO SHOW YOU CARE.

# Mission of mercy

## Local volunteer returns from hurricane site

By JOAN DYER-ZINNER  
Belleville City Editor

Volunteer Wayne Vann witnessed a lot of misery in the hurricane-ravished Florida countryside last month, but he also observed courage, kindness, dedication and friendliness.

"It was a very moving experience from both ends. It was a heartfelt experience collecting donations here and bringing help to the hurricane victims there," said Vann who is a Mission Service Corps coordinator from the Michigan Baptist Convention Brotherhood and also serves as pastor of Fellowship Baptist Church in Van Buren Township.

"When we decided to send a group of 18 volunteers to Florida, we inquired as to what supplies we could bring with us. We were told that the most urgent need was for baby food, diapers, formula, canned goods and bottled water. One hour later, we received donations of 5,000 diapers and 70 cases of formula," Vann said. "We expected to bring a trailer full of items, but received more than a semi-load. The response from people has been wonderful. It seems that everyone wants an opportunity to extend a hand to the hurricane victims."

**"We expected to bring a trailer full of items, but received more than a semi-load. The response from people has been wonderful."**

**- Wayne Vann  
volunteer**

Vann noted that people had tears in their eyes when they brought their donations to the collection points.

A caravan of 18 state volunteers drove 29 hours with three semi-trailer trucks of food and building materials to Perrine, Fla., where they set up a food distribution station. The Michigan group worked in cooperation with the 82nd Airborne Division in relief efforts and served 8,000 meals a day.

"We slept on the floor of the education building of the First Church of Perrine. We had two showers - with cold water - for all of the volunteers and we used a generator for electricity," Vann said. "Our day started with devotions at 7 a.m. and we served hot meals from 7:30 a.m. to 7:30 p.m. After we cleaned up, it was about 9:30 p.m. and it was time to end the day."

Hot coffee was served all day, and meals consisted of scrambled eggs, sausage, beef

stew, spaghetti, chicken, vegetables and fresh fruit.

"One of the hurricane victims in the feeding line asked me for seven dinners. I asked him how many people were in his family and he replied that he had 17 children. His home was the only one in his neighborhood still livable and he had seven families, with a total of 17 children, living in his home."

Vann said he gave the man extra cereal and snacks to bring home to his large household.

"The disaster really brought neighbors close together. People in hurricane-ravaged areas brought all of the items that they didn't need out to the middle of the street and shared them with their neighbors," Vann said.

The disaster team coordinator said some 250,000 pounds of food were collected from 30 drop-off points in the state. In addition, 30,000 pounds of

building supplies were donated from firms affiliated with the Michigan Builders Association.

After Vann's group returned to Michigan, they received a letter from Florida Gov. Lawson Chiles who thanked them for the "selfless gift of time and material resources which has been a blessing to Andrew's helpless victims and a great source of inspiration to those who are charged with caring for Florida citizens."

The relief effort in Florida was not the first such project undertaken by the brotherhood group. The group mobilized when Hurricane Hugo struck in 1989, but their services were not utilized. However, four volunteers were sent to Cape Cod when Hurricane Bob struck two years later.

"Our group specializes in mass feedings, and we stand ready to set up mobile kitchens whenever we are called upon to aid in a disaster," Vann said.

On Oct. 31, a team of 50 volunteers from Michigan will spend a week in Florida aiding in reconstruction work.

Individuals who would like to aid the disaster relief effort may send checks payable to Baptist State Convention of Michigan to 15635 West 12 Mile Road, Southfield, Mich. 48076.

# Special visit

## Governor's wife speaks to Canton students

By CRAIG GARRETT  
ANP Staff Writer

A Canton Township youngster suggested that Gov. John Engler is someone who takes care of the world.

A schoolmate said Engler ruled Michigan and still another thought the governor takes pictures.

Michigan First Lady Michele Engler received an earful of political insight Wednesday and many opinions concerning her husband's job from Canton students at Hulsing Elementary School located in Canton.

The governor's wife visited several classrooms for an hour to promote her reading and education agenda and she discussed life as the governor's wife.

What's it like to be married to the governor topped the list of questions fielded by the 34-year-old former Texas law partner.

"I get a lot of questions from reporters," Engler said. "I get to meet important people, visit wonderful Michigan cities and travel to schools to talk about reading. It's actually a lot of fun."

At each class Engler asked youngsters why reading is important. Learning words, getting a job, reading important documents and books were most common answers. Many

**"The kids seemed to enjoy every minute. I'm glad she came to Canton."**

**- Deborah Whyman  
candidate**

of the younger children, however, had the first lady, Principal Rebecca Moore and teachers smiling with comments like "my dog knows how to shake" or "my brother's in third grade."

She admitted to older students that living in the spotlight meant following a different set of rules.

"You have to watch what you do and say," Engler said. "Now I have a state policeman driving me places. Before I was known by the public, I could go anywhere I wanted and now people recognize me. It's definitely different, but I'm very proud of my husband and what he's accomplished."

Deborah Whyman, a candidate for state representative in the 37th district, accompanied the Engler entourage.

"It's been an exciting visit," Whyman said. "The kids seemed to enjoy every minute. I'm glad she came to Canton."

## Program helps handicapped

By MARGO DEWEY  
ANP Feature Editor

They are hard workers. Proud to be able to generate a paycheck on their own.

Michigan Rehabilitation Services (MRS) western Wayne District office officials in Wayne have created a program to help mentally handicapped individuals become more independent.

The program allows the mentally handicapped individual to experience on-the-job training with a coach at businesses throughout the state, according to Dan Dankoff, MRS counselor.

"Most of the activities for the mentally handicapped were in workshop settings which were non-competitive," Dankoff said. "From the workshops we identified 22 individuals we believed could compete in the workforce."

Once MRS officials located businesses which were willing to offer job opportunities for the mentally handicapped, coach services were then es-

tablished, according to Dankoff.

"We have a coach work individually with the client on the job," Dankoff said. "The coaching takes place two to four weeks, averaging 20 to 25 hours each week."

Last year MRS officials were able to place 10 clients successfully. Work opportunities that were available for the mentally handicapped included jobs as a market-clerk, at a wholesale florist shop, lumber yard, nursing home and performing hotel maintenance.

"We were able to place one individual at a major hotel chain doing outside maintenance," Dankoff said. "We have ongoing follow ups each year to make sure everyone is satisfied."

Obtaining a job in the workforce gives the mentally handicapped a great deal of pride, according to Dankoff.

"It also gives them more independence," Dankoff said. "The person who is shy all of

sudden becomes very outgoing by obtaining a job."

Transportation can be provided to the job site, according to MRS officials. Individuals who qualify for this unique opportunity must have a physical, mental or development disability.

"We set up weekly orientations where we go through an application process," Dankoff said. "We like to think of this as an investment program where the individual becomes a taxpayer like everyone else."

"The main goal of this program is to try and maximize the potential of each of our clients."

MRS officials in Wayne serve clients in Wayne, Westland, Canton Township, Inkster, Dearborn Heights, Dearborn, Belleville and Romulus.

For the fifth year, Michigan is observing Investing in Ability week from Oct. 11-17. The purpose is to highlight the contributions and abilities of the

Dennis Burke and Margaret Swartout have found employment and a great deal of self confidence at Southview Warehouse in Wayne where they are employed. ANP photo by Ken Garner

1.5 million Michigan handicappers.

The unemployment rate for handicappers rarely drops below 70 percent while a rating of 7 percent of the population as a whole is considerably high, according to MRS officials.

For more information on the work program contact MRS officials at 722-7431.

# Color peaks in northern region

By JOAN DYER-ZINNER  
Belleville City Editor

If you want to see the kaleidoscope of autumn colors in the Upper Peninsula, this is the time to catch the peak in reds, golds and bronzes.

The wave of color is descending across the straits of Mackinac into the northern portion of the Lower Peninsula and peaking within the next week in the Traverse City-Cheboygan-Alpena area.

For the best in above-the-straits color viewing, the Michigan Travel Bureau suggest traveling through the Pictured Rocks National Lakeshore from Munising to Grand Marais with a stop-off at Laughing Whitefish Falls in Alger County. From Grand Marais continue south on M-77 to the visitors center of the Seney National Wildlife Refuge, which harbors more than 250 species of birds and 50 species of mammals.

Birdwatchers and camera enthusiasts may want to bring along their binoculars and cameras to view the migrating birds and also catch a glimpse of black bear, coyote and deer.

Visitors on the Upper Peninsula color tour may also check out the Upper Tahquamenon Falls from Upper Falls State Park, take a tour on a train or trolley or cruise on a riverboat.

Two of the best-kept secrets in the northern Lower Peninsula are the Burt Lake and Manning Hill overlooks, according to the state travel bureau. The Burt Lake site is at

*Two of the best-kept secrets in the northern Lower Peninsula are the Burt Lake and Manning Hill overlooks, according to the state travel bureau.*

the Jack Burton Interstate-75 rest area north of Indian River and the Manning Hill location is off M-32, west of Alpena.

Other scenic spots in the northern Lower Peninsula are:

- The Tunnel of Trees on M-119, between Harbour Springs and Cross Village.
- Deadman's Hill overlook, south of the junction of US-131 and M-32 near Elmira
- Pierce Stocking Drive in the Sleeping Bear National Lakeshore, north of Empire.
- River Road National Scenic Byway from the south shore of the Au Sable River, between US-23 and M-65, west of Oscoda.

Color is expected to peak Oct. 15 in the upper and central parts of the lower peninsula. Ten percent of the remainder of the Lower Peninsula has color changes, but no peak date has been set for the area as yet.

Weekly updates are provided by MTB and specific information is available from local visitors bureaus and tourism councils.

## Church fundraiser OK'd

Members of a Wayne church were given permission to go door-to-door in Romulus for the next three months offering a household cleaner for sale. Lillie Reid, of the Miracle Temple Christian Center of Wayne, was given permission to coordinate a sales effort throughout Romulus to collect funds for youth projects at the church.

"The sales effort has a dual effect," Reid explained, "as church youth (who will be doing the solicitation) hopefully also will gain self esteem."

Reid promised that the church representatives, who will be knocking on doors city-wide from now through January, will be wearing identification tags. The product they will be offering is known as "Miracle Cleaner."

The church is located at 31650 Van Born Road in Wayne. The Rev. H.L. Jackson is pastor at the facility.

## Back in time

Friends of the Nankin Mill members hosted their annual Wine and Cheese party to collect funds to continue renovating the mill located in Westland near Hines Drive and Ann Arbor Trail. Members (from right to left) Kathy Myers, Paul Maceri, Denise Mehlich and Gary Stone admire the art work done by Maceri. Many of those in attendance wore clothes from hundreds of years ago. Harpist Karolyn Verbal entertains while mill members Joe Benyo and Rhonda Forquer listen to the music. ANP photo by Larry DiVizio

## Backlash

### Tactics can mean unwanted results

By JOAN DYER-ZINNER  
Belleville City Editor

Punching below the belt seems to be standard practice for politicians in some hotly contested races this year.

Questions of patriotism, marital fidelity and honesty plus general mud slinging have highlighted the 1992 campaigns at county, state and federal levels.

"If the ridiculing and mud slinging don't stop, qualified people won't want to run for office," said Van Buren Township Supervisor David Jakokes, who is running unopposed for his second term.

"Candidates are under so much public scrutiny, that I'm sure some of them question whether they want to put their families through the grief," the supervisor said. "These kinds of campaigns may make highly qualified people say, 'I don't want the grief.' Negative campaigning could backfire on the system."

Jakokes said voters are not interested in what the candidates had for breakfast or how

**"These kinds of campaigns may make highly qualified people say, 'I don't want the grief.' Negative campaigning could backfire on the system."**

**- David Jakokes  
supervisor**

they stand on the Murphy Brown controversy.

"For example, I don't think the Vietnam War is a valid campaign issue today. I don't think any veterans of that war would agree on our past policy today," said Jakokes, a Vietnam War veteran.

"Voters want to know what their candidates are doing today. What will they do about taxes and the budget deficit? What will they do about national health care from everything to the common cold to

AID? What are their views on safety in the workplace and about jobs?" Jakokes said. "It's now that counts, not the past."

**"We do what we enjoy, and they take care of the rest."**

**That's why we chose Oakbrook Apartment Homes."**

"Retirement shouldn't be about work, which is why we came to Oakbrook Apartment Homes. We feel right at home in our spacious apartment. And with house cleaning and maintenance included, we have time to do the things we want to do. That's why Oakbrook was the perfect choice."

Members of the Schweitzer Elementary School Parents and Teachers Association, students and staff members celebrated Columbus Day last week at a ceremony at the school and presented by members of the Harris-Kehrer VFW Post in Westland. VFW members presented each of the 632 students with a flag and they also presented a flag to the school. The ceremony also marked the 100th anniversary of the Pledge of Allegiance.

## No jokes, please

### Contest set to honor mothers-in-law

By JOAN DYER-ZINNER  
Belleville City Editor

Special holidays have been declared to honor presidents, national heroes, significant events and parents, but only recently has a day been set aside to honor a much-maligned group of women - mothers-in-law.

On Oct. 25, the fourth Sunday of the month, Mother-in-Law Day will be observed.

Long the butt of comedians' jokes, songwriters' sarcasm and the subject of cartoonists' humor, the name itself tends to prompt snickers among the

population. However, from personal experience we know that mothers-in-law, who incidentally, are also the loving mothers of our spouses, do not always fit the stereotype of meddlers, gossipers and troublemakers.

The publishers and staff of Associated Newspapers, Inc. plan to honor three outstanding mothers-in-law who reside in Wayne, Westland, Canton Township, Belleville, Romulus and Inkster. The top prize winner will receive a dozen roses and the two runners-up will each receive a plaque honoring them as outstanding

mothers-in-law.

Sons-in-law and daughters-in-law many nominate their mother-in-law for the prizes by sending the name and address of their nominee along with a brief letter, no more than 50 words, describing why their mother-in-law should receive the title, Best Mother-in-Law of 1992. The name, address and phone number of the nominator should also be included.

Send entries to Best Mother-in-Law Contest, Associated Newspapers, Inc., 35540 Michigan Ave., Wayne, Mich. 48184, before close of business on Oct. 21.

## Canton man faces murder charges

By MARGO DEWEY  
ANP Feature Editor

An Oct. 14 conference was scheduled for a Canton Township man on murder charges before Detroit Wayne County Recorder's Court Judge David Kerwin.

Frederick Lane Morris, 33, is charged by the Wayne Police Department with first degree murder, felony murder, armed robbery and one count of possession of a felony firearm in the death of Wayne business owner Charles Piper.

Piper, 53, of Westland, was shot to death Jan. 5 at his establishment, Chuck's Cycle Service on Michigan Avenue in Wayne.

Morris was arraigned Feb. 27 before 29th District Court Judge Carolyn Archbold.

His arrest was a result of a lengthy investigation conducted by Wayne Deputy Police Chief Kerry Webb, Lt. Mel Drews and Sgt. Chris Johnson,

according to Wayne Police Chief John Colligan.

Colligan informed the Associated Newspapers earlier that Morris has an extensive criminal record. Colligan said Morris was in the Ottawa County jail awaiting a court appearance for another felony when Wayne police issued a warrant for his arrest.

If Morris is found guilty of first degree murder, he could face a double life sentence in prison. The robbery armed charge carries a sentence up to life, and felony firearm is a two-year sentence, according to Webb.

Wayne police received the initial call about Piper from his fiancée, according to Colligan.

"We received a call from his fiancée requesting we check out the shop," Colligan said.

When police arrived at Chuck's Cycle, officers found Piper on the floor inside the building.

## GENERAL CINEMA'S CANTON 6 PRESIDENTIAL STRAW VOTE 1992

In September, General Cinema Corp. began conducting the 7th edition of their award winning Straw Vote promotion.

The Straw Vote is conducted by concession attendants, who give out drinking straws tied to the purchaser's party preference in the upcoming Presidential election. Though intended for fun, GCC's straw vote has successfully predicted the last six Presidents and except where an independent candidate significantly affected the final numbers, GCC's results have been within a few percentage points of the official final tally.

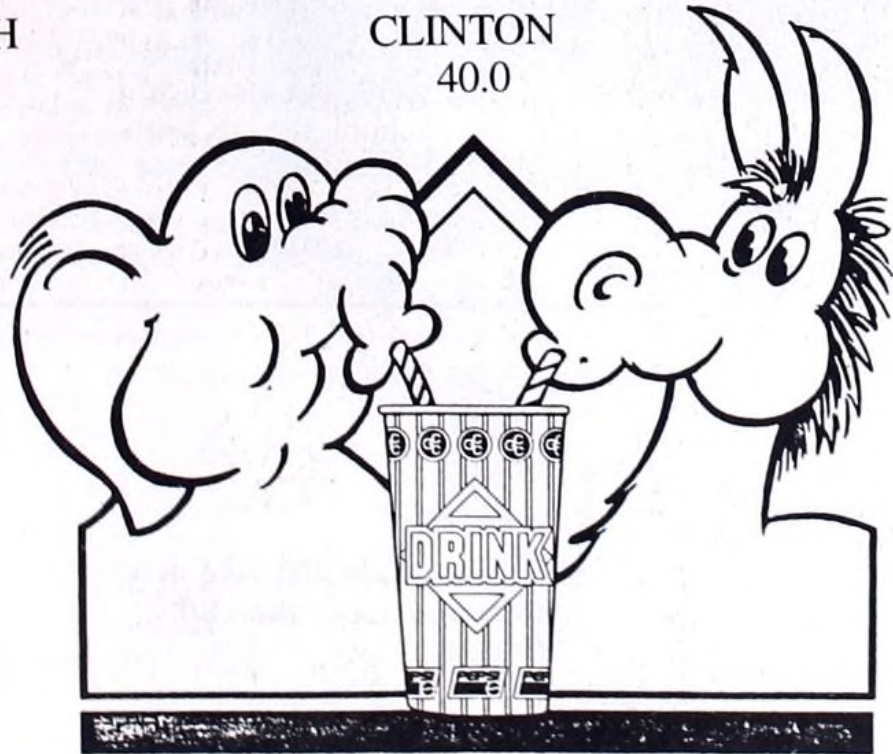

AS OF OCTOBER 12, 1992, 652,944 PEOPLE HAVE CAST THEIR STRAW VOTE.

### NATIONAL RESULTS

## Scout staff approved

Seven new staff members have been appointed by the Huron Valley Girl Scout Council.

The council is one of 333 councils chartered by the Girl Scouts of the U.S.A., and is charged with the responsibility of administering the program in western Wayne, Washtenaw, Livingston and Monroe counties.

Appointees are Crystal Bell, JoAnn Beurmann, Nancy Crump, Stella Farquharson, Valerie Franklin Kabat, Liane Kufchock and Lisa Miron.

Bell has been appointed field executive for the Huron Valley Girl Scout Council, and she will be coordinating all activities and volunteers for the eastern and western Washtenaw area.

Beurmann, who previously served as field executive for the Plymouth/Northville/Canton area, has been named product sales/special events manager for the council, and Crump has been appointed field executive for southern Wayne and Monroe counties.

Kufchock has been appointed field executive for the Plymouth/Northville/Canton area, Kabat is the new fund development/community relations director, and Miron is the new public relations manager.

## NEW ARRIVALS

### Rebecca Carver

Michelle Tripp of Belleville and Brian Carver of Ypsilanti became the parents of a daughter, Rebecca Danielle Carver, born at 1:21 p.m. Oct. 1, 1992 at St. Joseph Hospital in Ann Arbor.

The new arrival weighed 7

pounds, 8 ounces at birth and measured 20 1/4 inches in length.

Grandparents of the baby include Leslie Tripp of Ypsilanti, Carol Jones of Belleville, Georgia Carver of Romulus and Danny Carver of Ypsilanti. The infant's great-grandmother is Goldie Carver of Ypsilanti.

The infant joins a sister, Sarah Pfeiffer, 4.

Ryan Evasic

### Ryan Evasic

Robert and Shannel Evasic of Ann Arbor became the parents of their first child, a son, Ryan Robert Spencer Evasic, born at 9:17 a.m. Sept. 15, 1992 at St. Joseph's Hospital in Ann Arbor.

The new arrival weighed 9 pounds, 5 1/2 ounces at birth.

Grandparents of the infant include Jim and Mary Barnett of Belleville, Spencer and Lu Barnett of New Mexico, Phil and Peggy Smith of South Lyon, and Ron and Carol Evasic of Oklahoma.

Great-grandmothers of the baby are Nina Bogenmiller of Carleton and Nema

Barnett of New Mexico and Helen Banish of Dearborn Heights.

## Westland man watches Iraq

A Westland resident has been keeping an eye on the Iraqi military.

Navy Airman Tim Mass has been in the Persian Gulf where he is participating in Operation Southern Watch. The purpose of the watch is to monitor the Iraqi officials' compliance with United Nations law which prohibits flying near southern Iraq.

Officials from the United Nations have ordered that area be a "no-fly zone", according to Navy officials.

Mass is aboard the aircraft carrier USS Independence, forward deployed to Yokosuka, Japan.

United Nations Security Council Resolution 688 forbids repression of the Iraqi people by the Iraqi government officials. The "no-fly zone" protects the Shia population of

*The purpose of the watch is to monitor the Iraqi officials' compliance with United Nations law which prohibits flying near southern Iraq.*

southern Iraq, Navy officials said.

United States and coalition aircraft are conducting the monitoring. The U.S. Navy task in the Persian Gulf includes the USS Independence and 18 other ships. Additionally, other Navy ships are in the Red Sea as part of the Maritime Intercept Force, enforcing UN trade sanctions against Iraq.

Annapolis Hospital Emergency Services

## Meet the new emergency team at Annapolis

They're dedicated to serving you better

At Annapolis Hospital, we've made a lot of renovations: a newly equipped minor treatment room, a private triage area with easy access to the Emergency Department, and an enlarged waiting room for the comfort of our patients' visitors.

But one of the most important changes we've made is the addition of three new physicians to lead our Emergency Medicine team. They're board certified in Emergency Medicine, and are specially trained. And with the help of our experienced nursing and technical staff, they're dedicated to bringing you the most comprehensive emergency care in western Wayne County.

Ernest Sorini, M.D.

Dr. Ernest Sorini recently assumed the position of corporate director of Emergency Services for Annapolis, Heritage, and Seaway hospitals. He attended the Medical College of Wisconsin in Milwaukee and has been board certified since 1975.

Joseph Twanmoh, M.D.

Dr. Joseph Twanmoh is the new director of Emergency Services at Annapolis Hospital. He attended the Robert W. Johnson Medical School at Rutgers University and has been board certified since 1984.

Mary Ellen Flaherty, M.D.

Dr. Mary Ellen Flaherty is the new associate director of Emergency Services at Annapolis Hospital. A graduate of the University of Michigan Medical School, she has been board certified since 1988.

### Experienced leadership

So meet the new team at Annapolis. They're working hard to serve you better. For more information about our services, call us at:

467-4111

Annapolis Hospital is part of the Oakwood health care system. It's one of Michigan's largest health care systems, with six hospitals, more than 30 medical and specialty centers, and more than 1,100 physicians.

# Happy haunting

## Local Halloween activities begin throughout area

By MARGO DEWEY  
ANP Feature Editor

It will scare the living day-lights out of you.

Palace Theatre Co. officials in conjunction with the Detroit Producers Association have opened the coffin doors of the Haunted Theatre at the Wayne Historic Theatre, 35164 west Michigan Ave.

The ghastly event is taking place now through Oct. 31, according to Palace Theatre President Bob Welch.

"This year we will have the help and talents of professional film producers, make-up artists and special effects people from the Detroit Producers Association," Welch said. "Some of them have worked on films such as *Poltergeist*, *Elm Street* and *Evil Dead II*."

Spiders larger than a bed-

- Bob Welch, president

room wall will be crawling out to meet guests. A mad scientist is waiting for a victim in a laboratory room which is filled with bubbling chemicals.

The Palace Theatre Co. is in need of volunteers to assist with this spooky extravaganza. Participants will be made up as monsters and will be working as guides, ticket takers, security or concession helpers.

Anyone interested in assisting with the Haunted Theatre

can call 728-2050 or sign up at the theatre.

The Haunted Theatre will be open 7 p.m. to 11 p.m. Sunday through Thursday and 7 p.m. to midnight Friday and Saturday Oct. 10-31. Cost is \$5 for adults and \$2.50 for children under 12 years old.

All proceeds from the event will go toward the restoration of the Historic Wayne Theatre.

The Historic Wayne Theatre was built in 1927. Palace Theatre officials have been mak-

Todd Szalai of Westland makes a convincing and frightening phantom of the opera at the Haunted Theatre in Wayne. ANP photo by Larry DiVizio

ing various repairs to the building for more than two years.

Last October, the Haunted Theatre provided more than \$27,000 for the restoration project. The most recent repair was a new roof for the theater.

## Spooky exhibits now open

With Halloween just around the corner, its time for ghosts and goblins to begin their hauntings.

A variety of area sites, including haunted forests, cornfields and houses, are open for visits between now and Oct. 31. Spooky creatures, ghosts, witches and goblins are slated to be on hand to provide chills and thrills.

• Haunted Cornfield and Pumpkin Factory, 48651 Harris Road, three miles south of Five Points, Belleville, near Eldon Road. A 60-acre site open between 9:30 a.m. and 9 p.m. Tours are staged into the Haunted Cornfield, night's hay rides, farm animals plus fresh-baked pumpkin and apple pies, cider, candy and caramel apples, donuts and other items are offered for sale during the pre-Halloween days.

• Van Buren Park, Interstate-94 South Service Drive, between Belleville and Rawsonville Roads. Open Oct. 9-10, 16-18 and 22 to 25 from 7 to 10 p.m. Thursday and Sunday and until 11 p.m. Fridays and Saturdays. Admission is \$3 per person and \$2 for youngsters 12 and younger.

• Dungeon of Doom, 1639 McKinley at Alkali, Wyandotte. Open from 7 to 10 p.m. weekdays and until midnight on weekends from Oct. 14 through Halloween. Features 52 haunts plus 36-foot Suicide Slide.

• Haunted House, Gratiot and Market streets, Mt. Clemens. Open Oct. 16 through 18 and 23 through 31, from 6 to 9 p.m. except on Fridays and Saturdays when it is open until 10 p.m. Proceeds go to the state Special Olympics.

• Plymouth-Canton Jaycees Haunted House, 7:30 to 10:30 p.m. Sunday through Thursday and 7:30 p.m. to midnight on Friday and Saturday, beginning Oct. 16. Admission \$5 for adults, \$4 for children 12 and younger. Friendly monsters on Fridays between 6 and 7:20 p.m. Located at 1125 Canton Center Road, south of Cherry Hill.

• Fright Fest is the theme of the Wayne-Westland YMCA Haunted House, located in the barn at 827 S. Wayne Road, Westland. Twenty-five monsters are featured. Charge is \$5 for evenings and \$4 for Sundays, with \$1 off with a McDonald's fry wrapper. Hours are 7 p.m. Oct. 15, 16, 17 and 18 and Oct. 22 through Halloween. Friendly Monsters are slated from 10 a.m. until noon Oct. 17, 24 and 31 at a cost of \$1.50 per child

## Fordson is next

### After jolting Belleville, Wayne heads for title showdown on Saturday

By TOM MOORADIAN  
ANP Staff Writer

Saturday will be the last - and probably the best - chance for Wayne Memorial to own a share of the coveted Wolverine "A" Conference football title.

The Zebras have never finished on top of the league and, after whipping Belleville 41-12 Friday night, coach Chuck Howton and his gridders appear poised to challenge undefeated Fordson for the title rights.

"It isn't going to be easy," said Howton, who predicts a "very physical game. They're going to do everything to win this one. This is the last year of the league. Next year we will be

competing in a new conference and it would be a good way to close out the league with a share of the championship."

For those who enjoy delving into comparative results, for what it is worth, Fordson beat Belleville earlier in the season, 14-7. Wayne beat the Tigers by 29.

Fordson will host the 1:30 p.m. Saturday game. The Tractors have an impeccable 5-0 conference and a 6-0 overall record.

Wayne kept its title hopes alive with an impressive 41-12 victory over Belleville which spoiled the Tiger homecoming ceremony and subsequently

**"**  
*We got an old-fashioned beating from them. They came to play - we didn't.*

**- Bob LaPointe  
coach**

boosted the Zebras' title stock.

One painful thorn in the Tigers' side - they couldn't stop senior halfback Bruce Calhoun, who scored three of the Zebras' six TDs and piled up 167 yards on 28 carries.

Calhoun's season total is an enviable 794 yards on 113 rushes.

The visitors broke loose for

two TDs in the first quarter as quarterback Tim Mate engineered a nine-play, 60-yard drive with Calhoun going in from the one.

Jim McGwen kicked his first of five point-after, missing only on one attempt for the game.

A Belleville turnover midway in the opening quarter

that Tony McGill recovered set up Wayne's second score. Mate drove the Zebras 55-yards and again handed off to Calhoun, who plowed into the end zone from the one for his second score, to finish off the drive.

Johnny Ballard accounted for the third Wayne score as the rugged fullback crashed over from the three. That capped a 60-yard drive.

Belleville's attempt to regroup proved futile as safety Jeff Tapp picked off a pass on the Wayne 35 and returned to the Tiger 35, setting up the fourth touchdown. Mate completed a 24-yarder to tight end Jason Overton to make it 26-0. Wayne put together a 71-

yard drive, iced by Calhoun's 2-yard TD, in the third quarter and backup fullback Reggie McCarthy tallied from the one after several excellent runs for the final Wayne TD.

Belleville averted the shut-out thanks to Daryl Montie's 25-yard touchdown run and quarterback Ralph Truitt contributed a 12-yard TD run.

"We got an old-fashioned beating from them," said Belleville coach Bob LaPointe. "They came to play - we didn't."

Belleville will attempt to recoup Friday night at the expense of Southgate Anderson.

"Southgate is erratic. They have their ups-and-downs," said LaPointe.

## Glenn blanks North

By TOM MOORADIAN  
ANP Staff Writer

For the seventh time in eight years, Westland John Glenn is the best football team in the Western Conference Lakes Division.

Coach Chuck Gordon's Rockets proved they are the best by destroying defending champ, North Farmington, 24-0, Friday night before a stadium-filled Glenn homecoming crowd.

"This is a big victory for us," said Gordon. "And I am very happy for the players. A year ago we finished third and it was important for us to get back on top."

Glenn is on top of the division.

The Rockets still must prove they are the best in the conference. That showdown will come in two weeks.

The Rockets have an untarnished 6-0 overall record and a 4-0 Lakes record going into the crossover game Friday night with a "very capable and much-improved" Walled Lake Central team.

Glenn is the host for the 7:30 p.m. encounter.

"They are capable of causing damage if you're not ready to play," Gordon warned. "Two weeks ago Central upset North - that's how good this Central team can be."

In the chase for the con-

With a North Farmington defender hanging on to him, Jeromy Cosby of Glenn manages to fall into the end zone for one of the Rockets' three TDs. Glenn returned to the Western Conference Lakes Division throne with a 24-0 shoutout of the defending champs. They will be at home again Friday night to host crossover rival, Walled Lake Central. ANP photo by Larry Divizio

ference championship, however, the Westland team will not know who they will meet until Western Division leaders Livonia Franklin and Walled Lake Western settle their title dispute. The two will meet at Western Friday night.

Does Gordon have a preference?

"No way are you going to have me answer that one," he replied. "Around here we play them one game at a time. Right now, my kids have to focus their attention on Central."

The Rockets broke the ice against North early in the first quarter thanks to a Jeromy Cosby interception

on the defending champs' first possession. The Rockets capitalized on the turnover with a 34-yard field goal thanks to Doug Hammond.

Then, midway in the same quarter Cosby struck again. This time he returned a punt 50-yards into the end zone to stake the Rockets to a 9-0 lead.

The hosts made it a 17-0 game in the final minute of the initial half. Quarterback Brian Morrison combined with Derek Besco on an 18-yard TD pass that put the finishing touches to a mid-field drive.

Morrison, on a sneak, converted the two-pointer.

Tailback Joe Paddock accounted for the final Glenn touchdown. Paddock, who rushed for 106 yards in 16 attempts, scored on a 24-yard run. Hammond nailed the extra point.

The Rockets managed to hold the defending divisional champs to 92 total yards, with Cosby and Joe Kalep turning in exceptional performances from their linebackers positions. The Besco twins - Derek and Bryan - also stood out on defense.

"Whenever a team shuts out the opponent, you know the kids are doing the job. The entire defensive unit deserves credit."

## Inkster puts it all together against Ecorse

Unfortunately for Ecorse and the Red Raiders' homecoming fans, unheralded Inkster put it all together Friday afternoon. Coach Vic Calhoun and the Vikings buried Ecorse 50-0 in an abbreviated game called in the third quarter because of the mercy rule. (Officials may stop a game when a team has a commanding 40 or more point advantage over an opponent.)

"We have regained the momentum we had earlier this season," stressed Calhoun who takes his small cadre of warriors up against Oak Park this week. "Our defense was exceptional, while our offense rolled up 600 yards - its best of the season."

Calhoun cautioned that his team would have to continue to improve "because the toughest part of the schedule lies ahead."

With Highland Park surprising Robichaud in a marathon duel that ended after two overtime periods, the Parkers are now on top and are well on their way to the 1992 Suburban Athletic Conference football title.

Even Robichaud coach Bob Yauck admitted before his team took to the field, "If we can't beat them, then no one in this league can this year."

Inkster received a superb performance from Terrance Carter, who scored three touchdowns and one conversion in his 19 carries and 210-yard afternoon.

Carter scored the first TD, a 5-yarder early in the first quarter. That touchdown was set up by a couple of receptions. Quarterback Bob Gatewood hit Anthony Walker with a 25-yarder, then came back with a 28-yard pass competition to Richard Cooper.

Also in the opening quarter, Carter rambled 5 yards to turn it into a 12-0 game.

The Vikings actually put their hosts away in the second quarter, rolling to an insurmountable 44-0 lead on a 50-yard "bomb" from Gatewood to flanker Greg Prewitt, who flew past the Ecorse secondary.

Richard Cole converted the two-pointer.

Then, Cole came back to cap a sustained drive with an off-tackle, 25-yard slant for the Vikings' fourth TD. The Red Raiders stopped the extra point.

Next, the defense got into the scoring game. Defensive end Maurice Ballard sacked the Ecorse quarterback and jarred the ball loose. The alert defender then pounced on the ball in the end zone for the TD.

Gatewood, on a QB sneak, accounted for the conversion.

Minutes later, Ken Orr gave the Vikings a couple of points when the outside linebacker tackled the Ecorse ballcarrier behind the goal line.

Carter came back with a 25-yard TD run with Lawellyn Elliott accounting for the two-point conversion and, when Cole scored on a 22-yard TD with 2:10 left in the third quarter, the officials evoked the mercy rule.

## Wheatley continues to shine

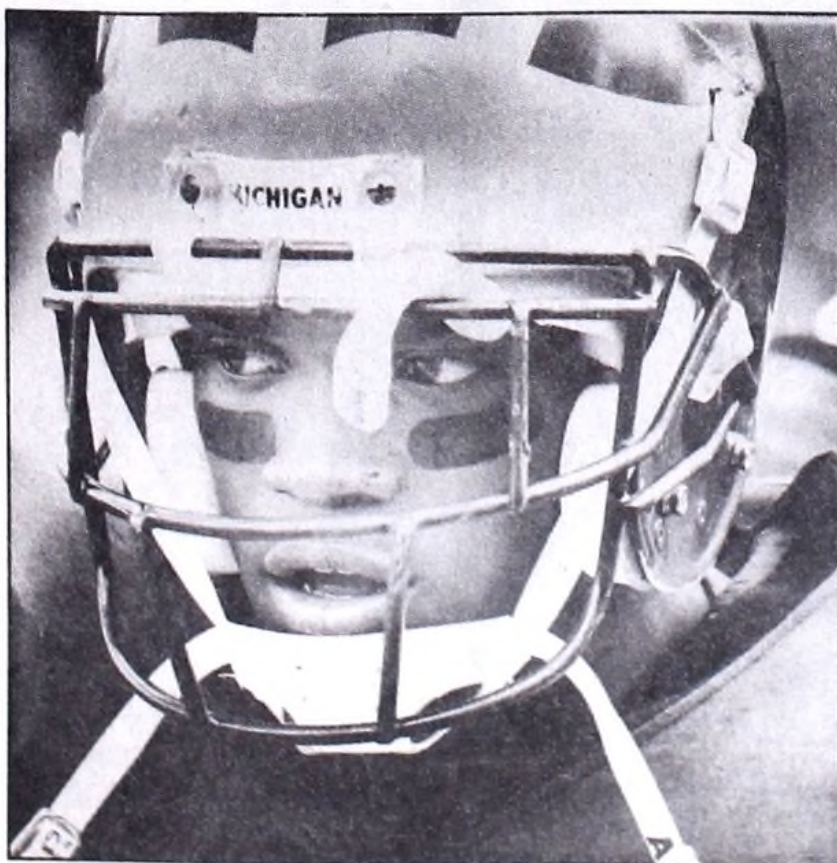

Former Robichaud High football great and prep All-American Tyrone Wheatley's comet continues to rise.

Wheatley, a 6-2, 225-pound tailback for the University of Michigan was singled out for accolades for the second consecutive week.

Wheatley was named the Wolverines' Offensive Champion of the Week by the Wolverine coaching staff for his performance in the Wolverines' 52-28 win over Iowa Oct. 3.

Wheatley had the best game of his career, running for 224 yards and three touchdowns on 19 carries. His highlights included an 82-yard touchdown run as well as TD runs of 29 and 18 yards.

A product of Robichaud High School and a native of Inkster, Wheatley has been a consistent contributor since his first game as a freshman. He scored nine touchdowns in 1991 including a 53-yard run in the Rose Bowl against Wash-

The man behind the mask is Tyrone Wheatley who Wolverine opponents apparently can't catch on a gridiron. ANP Special Photo

ington. His 74-yard touchdown run against Northwestern marked the longest TD by a Wolverine since 1989.

Wheatley scored two touchdowns in three consecutive games against Minnesota, Pur-

due and Northwestern last season.

In three games to date this season, Wheatley has averaged 98.7 rushing yards per game

See SHINE, page B-2

## 'No contest' Wayne breezes past Belleville

By TOM MOORADIAN  
ANP Staff Writer

Propelled by three double-event winners, Wayne Memorial overpowered Belleville 53-40 in a dual swim meet to break into the Wolverine "A" Conference winning column for the first time this season.

Coach Randy Ferguson received double victories from Jodie Garlough, Tiffany Morningstar and Anna Knutsson en route to a 53-40 victory over the Tigers. The Tigers are winless in the conference.

Wayne claimed 10 out of a possible 12 first places.

Garlough covered the 200-yard individual medley in the winning time of 2:41.7, then came back and swam a 1:13.1 for her second win in the 100-yard butterfly.

Morningstar was the first to the wall in the 50-yard freestyle (28.4), and her performance in the 100-yard breaststroke (1:20.7) set the pace for that event.

Knutsson, an exchange student from Sweden, continues to shine in the freestyle events. She won the 200-yard freestyle with an excellent 2:09.7, then picked up her second first, a 1:00.4 in the 100-yard freestyle.

Melissa Kreklau turned in her best time of the season in winning the 500-yard freestyle (6:30.6).

Wayne diver Misty Maniez remains undefeated in dual meet competition as she piled up

**"**  
*Knutsson, an exchange student from Sweden, continues to shine in the freestyle events. She won the 200-yard freestyle with an excellent 2:09.7, then picked up her second first, a 1:00.4 in the 100-yard freestyle.*

213.4 points on the boards.

Wayne also dominated the 200-yard medley relay and the 400-yard freestyle medley.

Ferguson put together a lineup of Kreklau, Knutsson, Garlough and Morningstar, which captured the medley relay in 2:13.3. The Zebras' 400-lineup consisted of Maniez, Garlough, Kreklau and Knutsson. The quartet swam a 4:25.4.

Belleville responded with victories in the 100-yard backstroke and the 200-yard freestyle relay.

In the backstroke, Rachel Jacks touched the wall first (1:15.5), while the Tiger foursome of Nina Kar, Vivian Overholt, Michele McGoldrick and Lindsay Held was clocked in 1:58.8 for the victory.

The victory boosted the Wayne overall record to 3-2 on the season.

Rocket assault

Glenn quarterback Brian Morrison looks downfield for an eligible receiver. Morrison connected on four of his 10 passes, one for a 18- yard TD toss to Derek Besco. The victory kept the Rockets' record untarnished. They will place a six-game winning streak on the block Friday night when Central comes to town. ANP photo by Larry Divizio

Romulus names trainer

Janet C. Lauer of Dearborn, a self-employed athletic trainer, has been named the official trainer for the Romulus School District. Lauer will cover sports ac-

tivities for junior and varsity football teams, and varsity basketball, wrestling and baseball squads. She will be paid a salary of \$16,500 per year.

Inkster runners nip Oak Park

Inkster runners broke into the Suburban Athletic Conference victory column on Thursday thanks to an exceptional performance by Ibrahim Myles. Myles led the Vikings to a 38-42 victory over the Redskins of Oak Park. The victory improved the Inkster overall record to 2-6 for the season. Although Myles was the first Viking to cross the finish line, he trailed Oak Park William Obey, who won the race in 20:15. Myles was clocked in 20:16.

Inkster cross country coach Mary Mabry said she hopes the victory will help provide her team "some momentum for the conference and regional championships."

Shine

Continued from page B-1

and has scored four touchdowns. He also returned the opening kickoff against Houston for a 99-yard touchdown. In his career at Michigan,

the multi-talented Wheatley has carried the ball 118 times for 848 yards and 13 rushing touchdowns. A week ago, Wheatley received the AT&T Long Distance Award for the longest run in NCAA college football Division I-A when he broke loose for an 82-yard scoring jaunt early in the third quarter in the Michigan 52-28 stomping of Iowa. And, in recognition of Wheatley's "Long Distance" performance, AT&T has donated \$400 to the NCAA's Degree Completion Scholarship fund. Wheatley will be awarded an engraved plaque in recognition of his achievements.

## THIS SUMMER ALANA CAN BE LIKE ANY OTHER KID, AND FORGET HER HISTORY.

Alana is eight years old. For the last six years she has battled leukemia. That's six years of hospital visits and treatments twice a week. It's no way to spend a childhood.

But thanks to your donations to the United Way, agencies like the Children's Leukemia Foundation of Michigan can send kids like Alana to "Special Days" Camp. A place where Alana can enjoy carefree days of swimming, canoeing, and newfound friends.

The United Way supports 145 agencies. Nearly 90 cents of every dollar you contribute goes directly to work, since only 10.4 cents goes toward campaign and administrative costs. Your contributions help the homeless, and fight child abuse, right here in Wayne, Oakland, and Macomb counties. So please give to the United Way, and help kids like Alana leave their history in the past.

**STILL THE BEST WAY TO SHOW YOU CARE.**

# INTRODUCING A NEW STANDARD OF COMFORT.

A quality gas furnace that's built for efficiency.

## Quality gas furnaces for a comfortable \$945\*

You've trusted the American-Standard name in your home for over 50 years. And now we're bringing that same quality to our new gas furnace—the American-Standard 5000.

The 5000 gas furnace comes with high efficiency of up to 95% AFUE. For lower heating costs than your old inefficient furnace. And more comfort all season long.

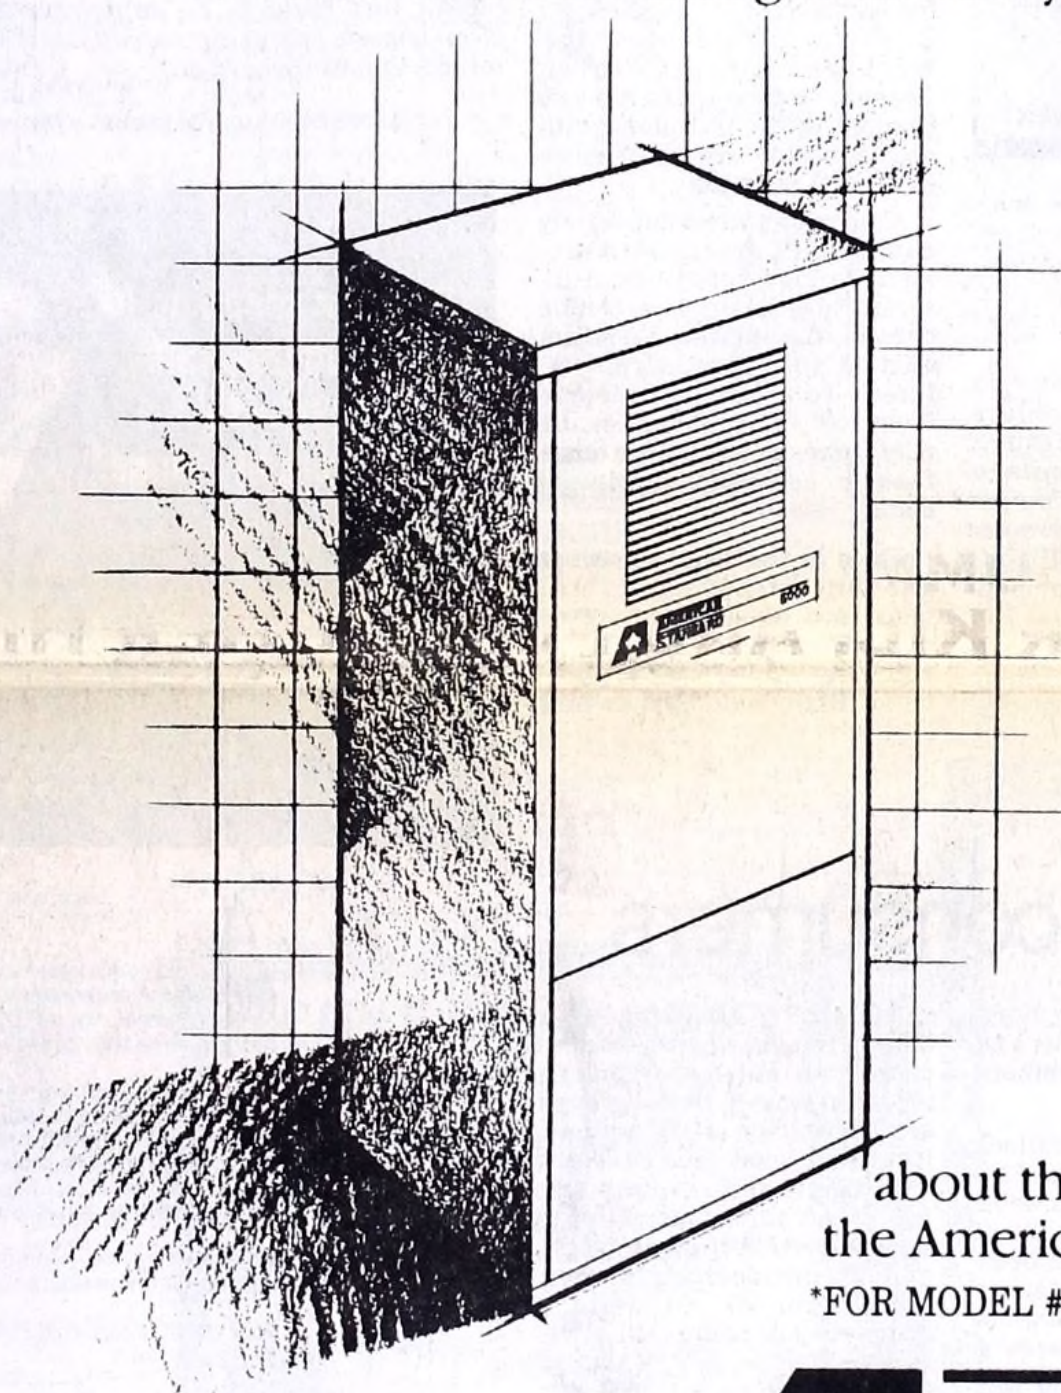

Plus a limited lifetime warranty on the heat exchangers. Something you can take even more comfort in.

Then behind it all is our uncompromising American Standard quality. Quality that comes from thousands of hours of designing and testing.

And now, one of the most trusted names in your home comes from one of the most trusted names in your hometown: your American-Standard dealer. He's been specially selected because his quality standards live up to ours.

Call him today, and ask about the new standard in comfort—the American-Standard 5000 gas furnace.

# Celebrate International Credit Union Day

## Use care in choice of financial institution

Most of us pay lots of attention to earning our money. We work long hours, study our business, research the competition, monitor our boss's reaction, cater to client's whim and seek diligently for opportunities to make some more money. Once we have the money, however, we are sometimes thoughtless of how we handle it.

Take choosing a financial institution, for example. How did you select where you deposit your money? Was the location convenient? Did your parents save there? Were they offering a free toaster the week you needed a checking account?

Banks, savings and loans (S&Ls), and credit unions are the three most common types of financial institutions for ba-

sic services such as saving, checking and personal loans. Banks and S&Ls are businesses that make profits from their customers for their stockholders.

Credit unions are not-for-profit financial cooperatives, owned by their members. Every bank, S&L and credit union is at least a little different from every other and consumers need to choose their financial institutions carefully.

There are three basic concerns when choosing a financial institution; security, services and cost.

Given the turmoil of the financial world in recent years, security is not to be overlooked. In Michigan, banks, insurance coverage; \$100,000 per

**"Don't forget to factor in convenience. If you work next door to a bank, that may save you time. If the credit union on the other side of town has no fee for using an ATM machine, location may not be important."**

account. Although the national credit union insurance program is better funded than that for banks and S&Ls due to recent problems in those industries, each fund is backed by the "full faith and credit of the federal government."

Services, however, can vary widely between institutions. Begin by making a list of what your needs are from a financial institution. If you're looking to finance an oil

exploration project in Siberia costing \$2 billion, you're going to need a major commercial bank.

If you want a savings account without too many service charges and low rates on car and home loans, the credit union down the block might be perfect.

Once you've determined your needs, it is time to check costs. There are often significant differences between institutions when it comes to charges, rates and fees. Take your personal list of what services you want from a financial institution when it comes to charges, rates and fees.

Take personal list of what services you want from a financial institution and start calling in your area. Ask for a complete explanation of fees and note such things as minimum balances, charges for writing checks or using the automated teller machine (ATM) and monthly service charges. Be realistic about your needs. How many checks do you write each month? How much will you actually keep on hand in a savings account? Do you use an ATM frequently? Does your company offer direct deposit of your paycheck?

Be aware that banks and S&Ls are commercial institutions open to anyone with enough money to afford their services. Credit unions, on the other hand, are member-owned cooperatives and you must be a member to use their services. Call your area credit unions to inquire as to whether you may qualify for membership.

Don't forget to factor in convenience. If you work next door to a bank, that may save you time. If the credit union on the other side of town has no fee for using an ATM machine, location may not be important.

What is important is that your needs are met effectively without costing you more than it should. You work hard for money. Make certain that it works hard for you by choosing the right place to put it.

## Credit unions claim lowest rates on consumer credit cards

By offering significantly lower rates, considerably lower fees and member-driven services, credit unions remain the low-priced credit card leaders, despite recent announcements of lower rates by several large banks and other credit card providers, said William Austin, chairman of the board of the Michigan Credit Union League, the trade association for almost 500 Michigan credit unions.

The average interest rate on credit union credit cards was 14.97 percent compared to an average rate of 18.68 percent for bank issued cards. In February, the latest month for which comparable data were available, Austin said. And nearly two out of three credit unions don't charge annual card fees. Of those that do, the fee averages less than \$12,

**"You don't have to be a long-time customer or a big credit user to get good rates at a credit union."**

**- William Austin**

compared to a typical bank fee of \$20 to \$25.

The reduced rates announced by a few large banks recently are usually reserved for preferred customers, those who have exhibited consistent spending and bill-paying practices.

On the other hand, most credit unions offer low interest rates to any member who qualifies for a card. "You don't have to be a long-time customer or a big credit user to get good rates at a credit union," Austin said.

Consumer awareness of

credit card programs was heightened by recent Congressional and media attention, and many consumers are switching to get better rates and lower fees.

According to one study, 17 percent of all cardholders have a credit union-issued card, up three percentage points from 1989. Credit unions have grown steadily despite harsh economic conditions and increasingly stiff competition.

About 4,000 of the credit unions in the nation, or about 28 percent, offered card pro-

grams at the end of 1991. "Most of the larger credit unions offer credit cards," said Kenyan E. Bixby, president of the Michigan Credit Union League, and he noted that 90 percent of credit unions with assets of \$100 million or more have card programs.

Consumers who shop wisely can benefit from the movement to lower credit card interest rates, Bixby said. But be careful, he advised. Look not only at the interest rate offered. To offset lost income from low rates, some issuers may increase annual or other fees or establish minimum charge levels.

Even in the wake of recent announcements by several bank card issuers of new low-rate offerings, credit unions will remain the low-cost provider, Bixby said. Banks may

increase annual fees or establish minimum charge levels to offset lost income, he said, "but you're not going to see credit unions doing that."

For a free brochure containing information that will help you compare rate and select a credit card, send a stamped, self-addressed envelope to: Credit cards, Michigan credit Union League, PO Box 5210, Detroit, Mich. 48235.

## Mass appeal Credit union services attract consumers

Thirty-six percent of consumers age 18 or older now use credit union services, more than ever before, according to a recent national survey conducted by the Credit Union National Association.

Membership is highest in the 25 to 64 age group, lowest in the 64 plus age group, according to William Austin, chairman of the board of the Michigan Credit Union League, the trade association for almost 500 credit unions in

the state. "Apparently, some older credit union members unnecessarily drop their membership when they retire and or relocate," Austin said. "That's seldom necessary, because all credit unions have a policy of once a member always a member."

Men are somewhat more likely than women to be credit union members - 38 percent of men compared to 34 percent of women. That gap continues to narrow as more women enter

the workforce and as more credit unions encourage spouses and family members to join, Austin said.

Thirty-nine percent of Black adults and 40 percent of Hispanic adults use credit unions, compared with 34 percent of white adults, Austin said. Austin also noted that there are millions more people eligible for credit union membership.

Consumers who would like to find a credit union to join

can start by checking with their employer, church or associations to which they belong to determine if those groups are served by credit unions. It's also a good idea to check with family and relatives who are credit union members to determine if they might be eligible for membership in their credit unions. Or send a stamped, self-addressed envelope to Membership, Michigan Credit Union League, PO Box 5210, Detroit, Mich. 48235.

**"If you're shopping for better interest rates, it can pay to take a look at credit unions."**

*The Wall Street Journal*  
September 1992

A major financial survey conducted by *Bank Rate Monitor*, and recently reported on by *The Wall Street Journal*, found that consumers can save money when they borrow from a credit union.

What makes a loan from a credit union such a good deal is that these member-owned organizations are true not-for-profit financial cooperatives. Having no stockholders, they do not have to generate profits for outside investors. It allows them to charge their members lower rates.

Whenever you need to borrow money, make a low-cost credit union loan your first choice.

Your credit union. There's no other financial institution quite like it.

For more information on loan services and rates, check with the credit union that may serve your place of employment, your community or your place of worship.

## OBITUARIES

### McIntyre, Alexandra

Alexandra (Alex) McIntyre, 22, of Ann Arbor, died Oct. 6, 1992 at University Hospitals.

Born on June 26, 1970, she graduated from Wayne Memorial High School in 1987 and was a graduate student of the University of Michigan. She also was a member of the Livonia Symphony Orchestra.

Survivors include her parents, Ralph and Mary McIntyre of Wayne, and a brother, Thomas C.

The funeral was at Christ the King Church of Oxford with the Rev. Robert Holt officiating. Cremation rites were accorded. Arrangements were completed by the Uht Funeral Home.

### Rolka, Alberta

Alberta Rolka, 85, of Wayne, died Oct. 3, 1992 at Annapolis Hospital of Wayne. She was born March 25, 1907 in Leroy, Mi.

She was survived by a companion, Daniel S. Speese.

A memorial service was at the Vermeulen Memorial Funeral Home of Westland with the Rev. Robert Millar officiating. Interment was in White Chapel Memorial Cemetery.

### Newsome, Jackie

Jackie Lynn Newsome, 40, of Belleville, died Sept. 26, 1992. Arrangements were completed by the David C. Brown Funeral Home.

### Blair, Patricia

Patricia Jean Blair, 60, of Westland, died Oct. 8, 1992.

Survivors include her husband, Hoyt, and two sons, Matthew and Stephen.

The funeral was at the Uht Funeral Home with Wayne Dickerson officiating. Interment was in United Memorial Gardens. The family requests that memorials be sent to Brain Tumor Research Fund Neurology Department of the University of Michigan Hospital.

### Tubinis, John

John Tubinis, 63, of Westland, died Sept. 5, 1992.

Survivors include his wife, Marilyn, and three daughters, Paula, Anne and Vivian.

Cremation rites were accorded. Arrangements were conducted by the Uht Funeral Home.

### Horton, Thomas

Thomas Jefferson Horton, 61, of Inkster, died Sept. 21, 1992 at Annapolis Hospital.

Survivors include his wife, Julia; three children, Nelson Horton, Diana Armstrong and Janet McGhee; three sisters, Ruth Kinnerbrew, Doris Hicks and Florence Thomas; two brothers, Alfred and Eddie, and six grandchildren.

The funeral was at the Penn Funeral Home with the Rev. J.L. Whitehead officiating. Interment was in Knollwood Cemetery, Canton Township.

### Quenet, Frances

Frances O. Quenet, 91, of Belleville, died Sept. 29, 1992. Arrangements were completed by the David C. Brown Funeral Home.

### Quinzy, Henry

Henry Adam Quinzy, 66, of Inkster, died Sept. 22, 1992 at his home in Inkster.

Survivors include his wife, Sharon; four sons, Edmon Martin, Henry Jr., James and John; two sisters, Beverly Walker and Elnora Brown; a brother-in-law, Jerry Brown; two step-sisters, Callie Turner and Sarah Steed; a nephew, Robert (Dorothy) Jones; nine stepchildren, and 15 grandchildren.

The funeral was at the Beverly House of God in Romulus with the Rev. Lovell Wooden Sr. officiating. Interment was in the Knollwood Cemetery of Canton Township. Arrangements were completed by the Penn Funeral Home.

### Jackson, Parlee

Parlee Jackson, 78, died Sept. 24, 1992 at Westland Convalescent Center.

Survivors include a daughter, Kathleen Cannon; a son, Henry Sanders; two sisters, Irene Robinson and Dora Jones; 11 grandchildren; 35 great-grandchildren, and a special niece, Elnora Robinson.

The funeral was at the Penn Funeral Home with District Elder Samuel Ware officiating. Interment was at the Westlawn Cemetery.

### Striz-Harris, Maria

Maria I. Striz-Harris, 66, of Edenton, N.C. (formerly of Milan) died Sept. 29. Arrangements were completed by the David C. Brown Funeral Home.

### Green, Joyce

Joyce Ann Green, 42, of Detroit, died Sept. 28, 1992 at her Detroit home.

Survivors include sisters, Doreen, Mavis, Cynthia, Carrie, Georgette, Alfreda and Vida; brothers, Calvin, George Jr. and Lionel; five god children; her step-father, James Holoway; her niece, Diabra, and a cousin, Patricia.

The funeral was at the Church of the New Covenant Baptist with the Rev. T. Cortez Spann officiating. Interment was in Metropolitan Memorial Gardens of Belleville. Arrangements were by the Penn Funeral Home.

### Dobbins, Blance

Blance Jackson Dobbins, 95, of Detroit, died Sept. 28, 1992 at Detoit Receiving Hospital.

Survivors include Anita Jackson, Blanche Jackson-Glimps, Marsha Jackson, and Jim Jackson and his family.

The funeral was at the Carter Metropolitan C.M.E. Detroit with the Rev. Clarence C. Buchanan officiating. Interment was in Westlawn Cemetery. Arrangements were completed by the Penn Funeral Home.

### Rumple, Loral

Loral Melvin Rumble, 56, died after suffering a heart attack while golfing on Oct. 4, 1992 in Howell.

Born on Aug. 28 1936 in Indiana, he was the son of Everett Kenneth and Dema (Paulette) Rumble and moved to the Howell community about three years ago from Wayne. He also formerly resided in Cloverdale, Ind.

He married the former Susan F. Bock on June 7, 1958 in Greencastle, Ind.

He was employed as department manager of the Milford Fabrication Co.

He was the player-coach of the National Wheelchair Basketball Association and served as 1980 Olympic Coach of Wheelchair Basketball in Holland. He was named most outstanding player in 1968 and was inducted into the National Wheelchair Basketball Hall of Fame on March 26, 1983.

He also was an avid golfer. Survivors include his wife, Susan F. of Howell; his mother, Dema of Greenwood, Ind.; three daughters, Lisa F. Hajduk of Canton Township, Tonya Zager of Farmington Hills and Tammy S. Martin of Westland; two sons, Loral M. Rumble III of Dearborn Heights and Anthony J. Rumble of Howell; two sisters, Theresa Caputi of Indianapolis, Ind. and Carolyn Perschko of Miami Springs, Fla., and four grandchildren.

The funeral was at the McDonald's Funeral Home of Howell with the Rev. Donald E. Williams officiating. Jim Shelton offered the eulogy.

### Quaranto, Robert

Robert J. Quaranto, 40, of Canton Township, died Oct. 5, 1992.

He was born March 4, 1952. Survivors include his wife, Patricia; a son, Brian; a daughter, Marie Brandon; his mother, Louise Maiorino, and two brothers, Thomas and Richard.

The funeral was at Pawlus Funeral Home of Canton. A funeral Mass was said at St. John Neumann Catholic Church with Father Matthew Ellis officiating. Interment was in Fort Custer National Cemetery in Augusta.

Donations may be made to the Robert J. Quaranto Memorial Fund at the church.

### Woods, Shirley

Shirley C. Woods, 66, of Westland, died Oct. 8, 1992 in Westland.

She was born June 15, 1926 in Detroit.

Survivors include two daughters, Linda Schmidt of Novi and Denise Manees of Canton Township; three sons, Paul of Redford Township, Edward Woods of Livonia and Raymond of Bellingham, Wash.; a sister, Anna Smith of Redford Township; her mother, Catherine Ibsen of Redford Township, and 12 grandchildren.

She was predeceased by her husband, Edward.

The funeral was at the Vermeulen Memorial Trust 100 Funeral Home with the Rev. V.F. Halboth officiating. Memorials may be sent to the Angela Hospice Home Care Inc., 36995 Five Mile Road, Livonia, MI 48154.

# Jack Demmer introduces new 1993 Ford lineup

By CRAIG GARRETT  
ANP Staff Writer

Hot-selling cars and trucks, splashes of bold color and special performance vehicles marked the Oct. 6 introduction of 1993 Ford Motor Co. products at Jack Demmer Ford.

Stephen Visotsky is sales manager of the 32-year-old Michigan Avenue dealership located in Wayne.

"I'm very excited," Vistovsky said during the special rollout. "Ford has five of the top 10 selling vehicles in the country and I see now we're in the position of being the market leader rather than the follower."

The all-new Probe leads the 1993 product array. The sporty coupe is available in two models—Probe and Probe GT—each with a multi-valve engine and individual styling cues. Driver-side air bag, or supplemental restraint system (SRS), is standard on both.

Probe GT has a new twin-cam 24-valve V-6 with an aluminum block and cylinder heads. It generates 164 horsepower at 6000 rpm. A five-speed manual transaxle is standard and an electronic four-speed automatic is optional. Standard Probe has a 2.0-liter four-cylinder with twin overhead cams and an aluminum head. The 2.0-liter cranks out a surprising 115 horsepower.

Ford Taurus should continue in 1993 to be the top selling family vehicle in the world. The GL and XL series, available in sedan and wagon models, feature new body-color bumpers and bodyside moldings for a contemporary one-color scheme.

On the LX model exterior color choices expand from six to 10 and a floor-mounted console is added. Both models have a standard 3.0-liter fuel injected V-6. The 3.8-liter V-6 powers the LX wagon.

Along with styling enhancements, Ford Escort, with 4 million sales since 1980, offers the innovative "One-Price" plan available on all four LX models with special option packages. Escorts with manual transmission are priced at \$10,899 and \$11,631 with automatic transmission.

Ford has scaled back Thunderbird to only two models in 1993: the LX and Super Coupe editions. The Super Coupe features a 210-horsepower supercharged V-6 with anti-lock brakes and adjustable suspension.

Mustang LX and GT are pretty much the same this year. It's hard to find fault with either model. Ford will, however, re-introduce the Mustang Cobra at selected dealerships. Ford Special Vehicle Team (SVT) engineers have tweaked another 40 horsepower out of the standard 5.0 liter V-8 with modified valves, intake and exhaust ports, a new manifold and rocker arms. The sleek Cobra is also going to be mounted on 17-inch Goodyears and with a heavy duty suspension system. Ford has not released performance figures for the Cobra.

SVT engineers also have taken the most popular light truck in the world and made it "Lightning" fast. The hot new Lightning is an F-Series chassis with the small block 5.8-liter bolted under the hood. The Lightning too is mounted on 17-inch Goodyears and is only available in Ebony Black and Vermilion Red.

Tempo remains a solid family car in 1993. No major design changes for the Top Ten selling car are scheduled, but a number of refinements are evident on both the two- and four-door models.

Crown Victoria's aerodynamic styling is highlighted this year by a new chrome grille, new color-coordinated, wide bodyside moldings and a new rear decklid applique between the taillamps.

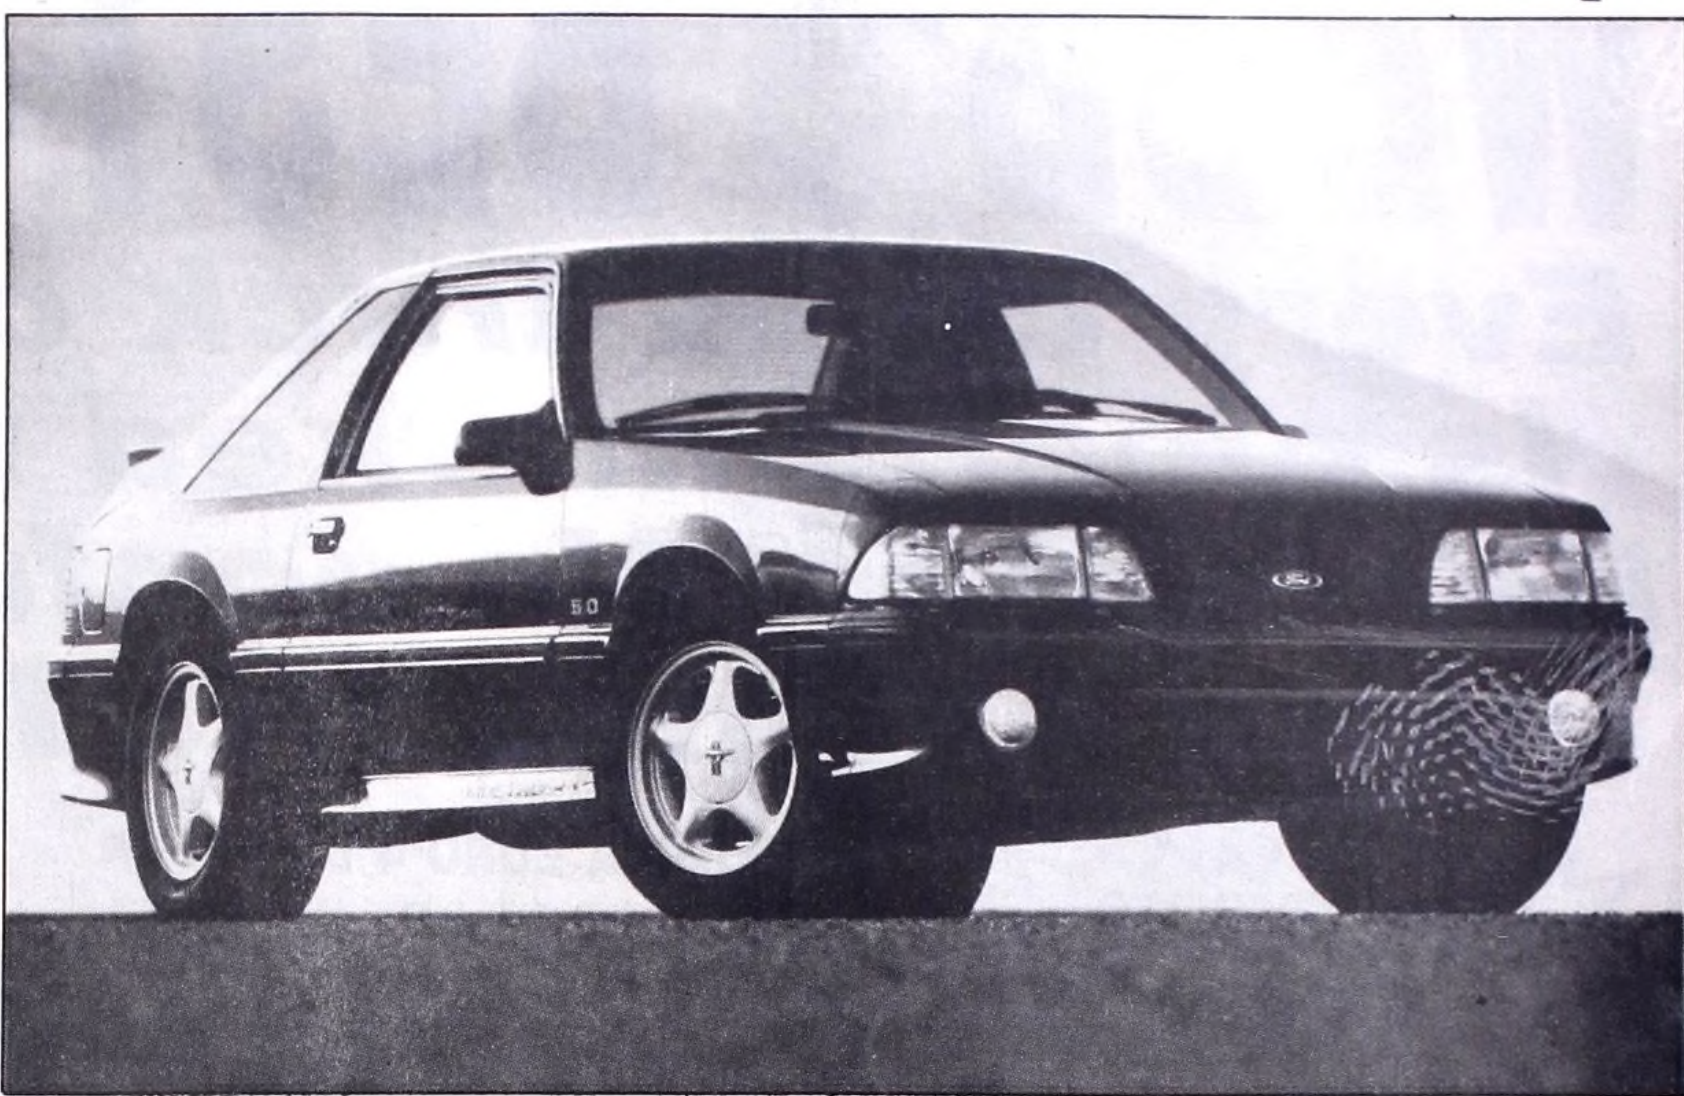

With the Sport Option Package, the 1993 Festiva will include a new rear decklid spoiler, graphics, sport-cloth seats, door trim and white aluminum wheels. The four-passenger Festiva also offers 26.5 cubic feet of cargo space with the rear seats folded down.

Ford, the country's No. 1 manufacturer of light trucks, looks to strengthen its leadership position with the redesigned Ranger. The best-selling truck's aggressive new look starts with a new hood, headlamps, grille and bumper to round the typically square vehicle out.

Demmer introduced the Ranger to a very impressed group. Bill Demmer drove the truck to the dealership from Ford design headquarters and the man seemed hard pressed to wipe the smile off his face.

"The ride and handle are tremendous," Demmer said. "I think this will be one of the hottest selling vehicles in the country."

Explorer for 1993 offers standard ABS and some slight

The 1993 Mustang puts performance and classic styling within reach. The 1993 Ford Taurus LX has a standard 3.0-liter sequential electronic fuel injected V-6 engine. ANP Special Photo

appearance improvements. The 4.0-liter V-6 with a five-speed manual transmission is standard power for the XL, Sport and Eddie Bauer models.

Aerostar vans are enhanced this year with two optional child restraint seats. The vehicle maintains such traditional strengths as all-wheel drive and best-in-class trailer towing capabilities.

Econoline Wagon and Van will gain the advantages of the more powerful 7.5-liter engine later in the model year. Buyers value the extra power for carrying passengers as well as towing a boat or hauling recreational gear.

The F-Series light truck models also will offer the 250-horsepower 7.5 liter later this year. Flareside F-150 models are available for 1993 in the XL and XLT trim levels.

The new Bronco features four-wheel ABS and "next-generation" speed-control system for 1993. Bronco offers a choice of the standard 185-horsepower 5.0-liter or the huskier 5.8-liter with a rating of 210 horsepower.

Demmer said a wonderful

The 1993 Pontiac Grand Am offers a quieter engine. ANP Special Photo

lineup of cars and trucks, new colors (Cayman Green, Iris Purple, Bimini Blue, Ultra Red Crimson and Electric Blue) and performance vehicle introductions are great for company sales, but bottom line is still service.

"We've enlarged our service area," Demmer said, "and set our customer contact time to four minutes. We're very friendly and very good at what we do behind the sales floor." John Sinereck of Atchinson Ford in Belleville added that

dealers are electrified with the 1993 lineup.

"We have a lot of exciting new cars and trucks," Sinereck said, "to keep people's interest up. Sales have been good all year and it looks to be an even better year in 1993."

## A variety of new designs

## Pontiac officials provide vehicles with more value for the money

By MARGO DEWEY  
ANP Feature Editor

Designs and mechanics on the top three Pontiac vehicles have improved for 1993 with the Grand Am leading the sales list.

Pontiac officials are providing more value for the money, according to Robert Jeannotte, general manager of Bob Jeannotte Pontiac-GMC Truck in Plymouth, 14949 Sheldon Road.

"The 1993 Grand Am is completely changed in design from last year," Jeannotte said. "It's more rounded, and there are different engine combinations offered."

The Grand Am offers quieter engines and a high level of driver-in-control safety features which include standard anti-lock brakes, according to

Jeannotte.

Since being introduced in 1985, the Grand Am has become the Pontiac sales volume leader with more than 200,000 vehicles sold between 1987 and 1990. The current Grand Am, introduced as an all-new model in 1992, has picked up where predecessors left off with model year sales projected to reach 205,000 units, a 36-percent increase from 1991.

The Grand Am SE Coupe sports styling, balanced performance and roadability is an outstanding value at an affordable price. Based on early 1992 model year data, compared to rival Acura Integra, the SE Coupe holds a competitive advantage with standard anti-lock brakes (ABS), superior highway fuel economy and more interior room.

With outstanding perfor-

mance and driver control that costs thousands less than leading imports, the Grand Am SE Sedan features the sport styling, balanced roadability and 4-door practicality.

The Grand Am GT Coupe offers bold styling and outstanding performance features that are required for driver-in-control sport coupe excitement. This vehicle is priced below most competitors. It offers more than ample horsepower and interior room.

The 1993 Grand Am offers the following safety features: full-feature 4-wheel, anti-lock (ABS), power disc/drum brakes; 5-mph energy-absorbing bumpers; self-aligning steering wheel hub that offers drivers additional protection against chest injuries; automatic transmission/shift interlock; automatic power door

locking system; mini-wedge door-locking design helps retain door integrity in the event of a crash; power window lock-out switch; trunk valet switch located in the trunk disables remote decklid release; wet-arm windshield wipers with smear wipe eliminated; high-impact plastic headlamps and foglamps to resist failure due to stone chips; dual outside rearview mirrors; rear seat integral headrests; safety belts-automatic for driver and right front passenger and 3-point

rear seat for outboard positions; center near 2-point; Sedan rear-door child- security locks.

Appearance changes include a new gray/purple metallic color which replaces slate gray. Other improvements include the base instrument panel gauges and warning lights have been outlined with an applique that provides more pronounced instrumentation.

The new Grand Am also offers revised heating, ventila-

tion and air conditioning controls with more rounded and contemporary grips.

The second most popular Pontiac is the 1993 Bonneville, according to Jeannotte.

"The Bonneville has also been redesigned, and it has more of a European look," Jeannotte said. "It offers more mileage in the city and on the highway. It also has better suspension."

The 1993 Bonneville SLE is

See **PONTIAC**, page C-11

## Webb

Continued from page C-6

ing the 1992 starting price of \$13,400 for the sedan model.

Chevy most popular car with first-time buyers, Cavalier, features several refinements this year plus a lower sticker price.

Improvements are under the hood with lower noise levels, a stronger and smoother clutch and the optional 3.1-liter V-6. Cavalier also has new interior and exterior colors and the coupe, sedan, wagon and convertible models are available in as many as three trim configurations.

Gillies said Chevrolet is offering first-time Cavalier buyers a \$400 savings through GMAC and package of the three hottest options. Basic Cavalier sticker prices have dropped from a suggested retail of \$8,899 to \$8,520.

Caprice has redesigned the controversial rearend for a newer look. Criticized originally for looking like an upside-down bathtub, the 1993 Caprice has opened wheel wells, widened body-side moldings and rear axle and new taillights.

All Caprice models have added acoustical insulation to further reduce interior noise levels.

Beretta for 1993 has a quieter exhaust system with a re-located catalytic converter and improved exhaust hangers.

A new clutch for the five-speed manual transmission equipped with the strong 3.1-liter V-6 or the Quad 4 engines is designed to provide smoother launching power and shift feel to the Beretta.

Beretta starts at \$11,395 for 1993.

Corsica 1993 offers a quieter ride and safety refinements on the four-door model. Corsica is available as an LT sedan or with the Z52 Sport Handling Package.

Dream on, but Corvette enthusiasts celebrate the 40th year on an American tradition with significant horsepower increases and the new standard passive keyless entry system. ZR-1 power will be supplied by a 405-horsepower 5.7-liter engine.

The truly hot car of 1993 is Camaro. Chevy plans to introduce the redesigned two-door classic at the January Detroit Auto Show.

The biggest news in Chevy trucks is the availability of a strong, smooth-shifting automatic transmission. The 4L60-E is available on all Chevy trucks, including the full-size pickup, S-10 pickup, S-10 Blazer and full-size Blazer, Astro van, Suburban and the Sportvan. The 4L60-E is not available in the Lumina APV.

"People have been talking about a recession," Gillies said. "But Webb Chevrolet/Geo has set sales records this year. I think consumers see the value and performance features in Chevrolet/Geo models."

The new Fleetwood Brougham sedan has new exterior colors for 1993 including slate green, dark cherry, taupe and frost beige. ANP Special Photo

## Don Massey highlights Fleetwood Brougham

By AL POST  
ANP Staff Writer

For the first time since 1977, officials at Cadillac have totally remodeled the super-comfortable Fleetwood Brougham sedan offering a wide variety of safety and security provisions.

Don Massey Cadillac of Plymouth, the number-one Cadillac dealership in the world for retail sales, is currently offering the exciting new Fleetwood sedan in a dozen different exterior colors, including four new shades such as slate green, dark cherry, taupe and frost beige.

The remodeled luxury car contains a 5.7 fuel injected V-8 engine, new powertrain and transmission that provide the smoothest ride and excellent fuel economy.

New safety elements include airbags for both the driver and the front passenger

(that can protect up to three persons), traction control and anti-lock brakes.

In addition a pass key theft deterrent system has been added and the already-large trunk space has been enlarged by another 18 cubic feet.

Officials at Don Massey Cadillac are also introducing the exclusive Northstar System with 32-valve Northstar V-8 engines, road-sensing suspension and speed-sensitive steering for the 1993 Allante, Seville STS, Eldorado Touring Coupe and Eldorado Sport Coupe models.

As usual Cadillac is offering the unparalleled owner-privilege package that includes 24-hour on call assistance from the finest roadside service units available, enhanced by a no-charge loaner car for warranted repairs, plus a portfolio of other services.

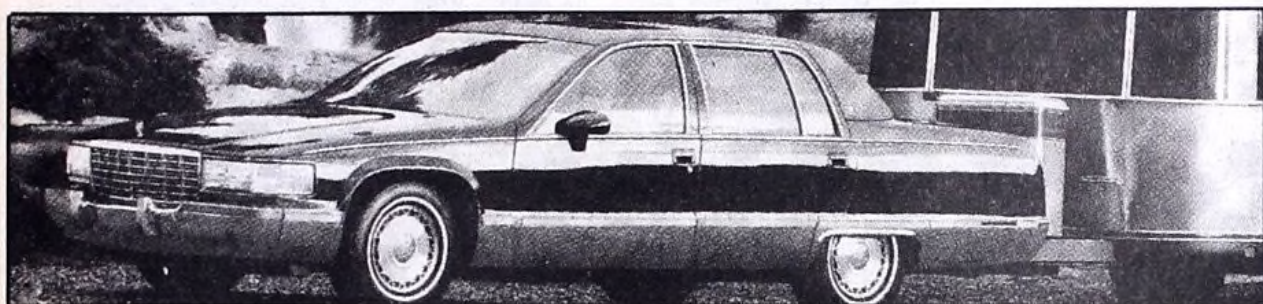

With updates now being

reported in the Seville STS and Eldorado models, Cadillac also is offering a special 1-800 emergency-phone number that will dispatch assistance quickly with a no deductible plan for the four-year 50,000 mile warranty. That unique Cadillac warranty feature began in 1991.

Don Massey Cadillac is located at 40475 Ann Arbor Road in Plymouth and has a professional sales staff of more than 20 courteous agents who are available from 7:30 a.m. to 6:30 p.m. Tuesday, Wednesday and Friday and until 9:30 p.m. on Monday and Thursday.

In addition 60 lifts and 128 service stalls are on-site to ensure that repairs and other service efforts are always available on a timely basis.

Don Massey also offers their own fleet of rental cars for both day or long-term use.

1993 Fleetwood Brougham

## Pontiac

Continued from page C-9

a sporty full-size sedan with safety, performance and technology features that rival any competitor. Exterior features include monotone bodyside applique and rocker molding, an SLE specific grille, rear decklid spoiler, rear window defogger, 16 inch aluminum crosslace wheels, a 3.06 performance axle ratio, single side dual exhaust outlets and a power antenna.

In addition to the SLE, the Bonneville SE benefits from standard anti-lock brakes (ABS), new appearance, performance packages, improved powertrain performance, fuel economy and emissions.

The 1993 Bonneville SSE features full model-year availability of the Supercharged 3800 Series V6 engine and non-articulating bucket seats with leather seating areas.

Safety features on the Bonneville include: anti-lock brakes; traction control; energy-absorbing steering column; interlocking mini-wedge door latches; body-mounted front outboard lap and shoulder belts for outboard passenger positions; rear door child security locks; solar-ray glass; pass-key theft deterrent

system and brake/transmission shift interlock.

It's just a rumor that the Grand Prix will not be made in 1993, according to Jeannotte.

"That was just a rumor floating around the media," Jeannotte said. "The Grand Prix doesn't have too many changes for 1993. There is a little change to the packaging offered."

Pontiac has put a halt on prices for its 1993-model Grand Prix to provide an even greater value for buyers seeking affordable controlled performance and distinctive styling in a mid-sized automobile.

The Grand Prix coupes-SE, GT and GTP combine outstanding sport styling, performance and safety at an exceptional value while the sedans-LE, SE and STE offer sport sedan styling and performance with dependable, reliable and safe mid-size sedan function and value.

A new Cold Climate package is available with the electronic transmission and bucket seats, putting drivers in better control of their winter motoring experience. The package includes a second gear start transmission switch and rear defogger. Second gear start enhances starting on slippery road surfaces by reducing torque and wheel spin because the car starts in sec-

ond gear rather than first.

This driver-in-control feature joins automatic door locks as new-for-'93 safety and security content on all Grand Prix models.

Safety and security features for the 1993 Grand Prix include: automatic safety belt system with emergency release for driver and right front system with emergency release for driver and right front passenger; rear seat manual lap/shoulder belts for outboard passenger positions; energy-absorbing steering column; safety interlocking door latches; 4-wheel independent suspension; halogen headlamps; energy-absorbing instrument panel and front seatback tops; 4-wheel disc brakes and available head-up display.

Exterior appearance changes include an available rear decklid spoiler with integral stoplamp on coupes with the Aero Performance package.

Interior appearance changes for 1993 include one new color-ruby-replacing dark maroon and joining three carryover interior treatments-graphite, medium gray and beige.

All these new vehicles can be purchased at Bob Jeannotte. Call 453-2500 for more information.

# Ann Arbor Buick-Suzuki delivers quality vehicles

For more than 69 years, Ann Arbor Buick-Suzuki has sold quality automobiles to area residents.

Conveniently located one-half mile west of US-23 at 3165 Washtenaw Road, the dealership enjoys a reputation for quality, dependability and reliability.

Owner of the dealership is Walter Prochnow. Sales manager is Scott Sawusch.

The 1993 line-up of Suzuki vehicles features a broad selection of highly fuel-efficient, low-priced, feature-packed vehicles priced less than \$15,100. The 1993 two- and four-door Sidekick models and Samurai sport/utility vehicles, as well as the Swift passenger cars, combine outstanding performance and versatility at an affordable price.

New models include:

**Four-door Sidekick:** The newest addition to the Suzuki sport/utility line for 1993 is the four-door Sidekick JS model. The versatile two-wheel drive model priced at an MSRP of \$11,899 joins the popular four-door, four-wheel drive Sidekick JX model at \$12,999 and J LX model at \$14,199, with manual transmissions. The four-door Sidekicks give consumers the lowest-priced four-door sport/utility vehicles on the market. All four-door Sidekicks are equipped with a 16-valve, 1.6-liter, multi-point fuel-injected, four-cylinder engine that generates 95 horsepower at 5,600 rpm. Standard features on all Sidekicks include a rear wheel anti-lock brake system, power steering, power remote-controlled dual outside mirrors, split rear seat back, all-season radial tires and a logic CD-ready AM/FM stereo with cassette and four speakers.

**Two-door Sidekick:** Remove the sporty canvas-top of the affordably-priced two-door Sidekicks for a feeling of freedom even during city commutes. The vehicle is a solid off-road performer combining passenger comfort and fuel efficiency. The manual transmission two-door, two-wheel drive Sidekick JS at \$10,999 and manual transmission four-wheel drive Sidekick JX at \$12,399 are powered by a 1.6-liter engine that uses electronically-controlled throttle-body fuel injection for maximum power and efficiency at all speed ranges. The two-door Sidekick models with manual transmission have fuel economy ratings of 25 EPA estimated city MPG and 27 EPA estimated highway MPG. The two-door, four-wheel drive Sidekick JX is also available with an automatic transmission at \$12,999.

**Samurai:** The Samurai JA base model remains the lowest-priced sport/utility vehicle on the market, available for \$6,699. Offered in both two- and four-wheel drive models, the Samurai seats two passengers and features a generous cargo space to haul weekend gear or weekday groceries. With its unique and functional styling, this rugged sport/utility vehicle gets attention wherever it goes. The affordable Samurai is a hero at the fuel pump with fuel economy ratings of 28 EPA estimated city MPG and 29 EPA estimated highway MPG. All Samurais are equipped with a 1.3-liter, four-cylinder, SPHC engine and a five-speed manual transmission.

**Swift:** As agile as they are

affordable are the Swift passenger vehicles. Qualities such as durability, reliability and value are inherent in each Swift, from the GA three-door hatchback to the GA and GS four-door sedan models. And, according to the 1992 *Automotive News Market Data Book*, Suzuki-built passenger cars have the highest Corporate Average Fuel Economy ranking of all domestic and import vehicles currently sold in the

U.S. The manual transmission Swift GA three-door hatchback returns in 1993 at \$7,299 and combines superior commuter transportation characteristics with fuel economy figures of 39 EPA estimated city MPG and 43 EPA estimated highway MPG. The Swift GA three-door hatchback and GA and GS four-door sedans are available with either manual or automatic transmission and features 1.3-liter, four-cylinder,

SOHC electronically fuel-injected engines that deliver 70 horsepower at 6,000 rpm and generate 74 lb.-ft. of torque at 3,300 rpm. The manual transmission four-door GA sedan is priced at \$7,999; the manual transmission four-door GS model is priced at \$9,399. All Swifts have ample interior room with more headroom than a Rolls Royce and more legroom than a Mercedes, according to the *Automotive News*

*Market Data Book.*

Recession survival demands every purchase be evaluated carefully, from a household appliance to a new vehicle. Weighing up-front costs and long-term benefits, the ultimate decision rests with the product that delivers the best value - like Suzuki vehicles.

With a full line of compact sport/utility vehicles and passenger cars under \$15,100 that

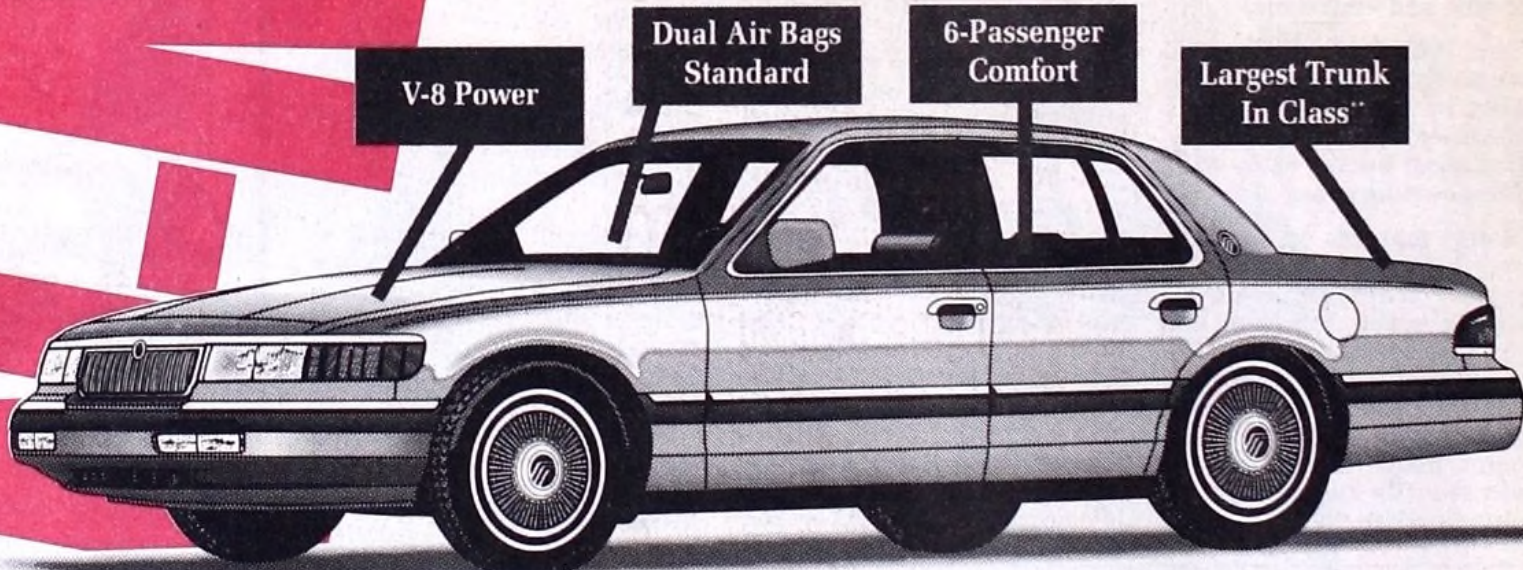

consistently rank among the most fuel-efficient vehicles in the nation, Suzuki means value. The company claims the title of undisputed value leader in the highly competitive automotive field. The claim is substantiated by success. In 1991, Suzuki was one of the few automotive companies to increase sales in the U.S. and continues to be the choice of more and more value-conscious customers.

## Chevy offers refinements

Spearheading refinements to the Chevrolet full time of durable, reliable trucks for 1993 is a new Hydra-matic 4L60-E 4-speed automatic transmission for all Chevy truck lines except Lumina APV.

Other new features include:

- An industry-first optional power sliding door for Lumina APV.

- Revised engines for most truck lines, including a modified 5.7L V8 available for conversion to gaseous fuel on the Chevy full-size pickup.

- Theft-detering improvements to the tilt steering wheel column for most truck lines.

- More extensive use of Scotchgard(tm) fabric protection.

The Hydra-matic 4L60-E is the first General Motor rear-

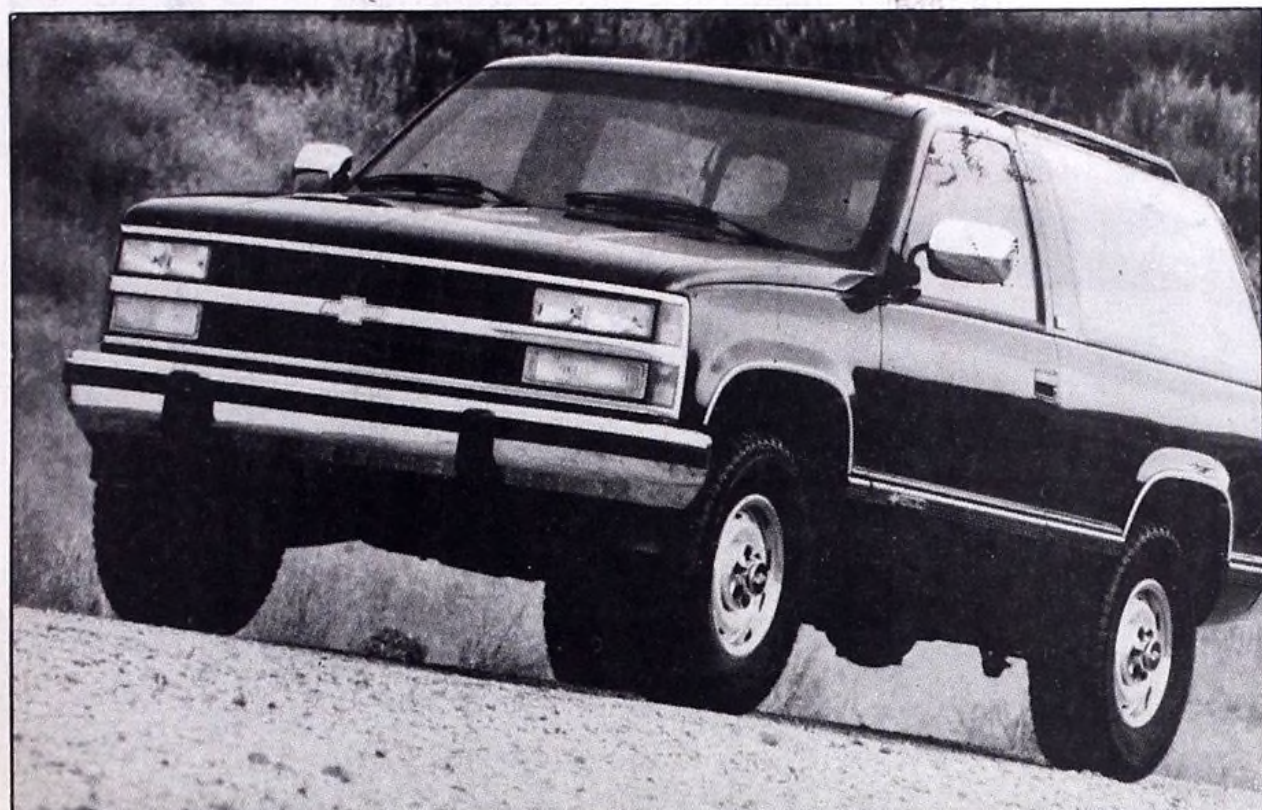

*A built-in learning feature allows the system to adapt to the environment and make subtle adjustments in clutch pressure to match it.*

wheel electronic transmission to interface with cruise control. (unnecessary shifting is avoided due to a powertrain control module.) For trucks under 8500 pounds GVWR, the new transmission has the strongest torque-to-mass ratio in that class.

This new "smart" transmission monitors every element of the driving experience - fuel

injection rate, the driver's habits, ignition timing, internal transmission temperature, idle speed and exhaust gas recirculation - several times per second, then determines the proper shift points for very smooth shifting. A built-in learning feature allows the system to adapt to the environment and make subtle adjustments in clutch pressure to match it.

The 4L60-E design also includes controls that default to operable ratios should a problem be detected, allowing the driver to maintain vehicle control and reach a safe location. A second safety feature permits second-gear starts when increased wheel traction is desired on hazardous road services.

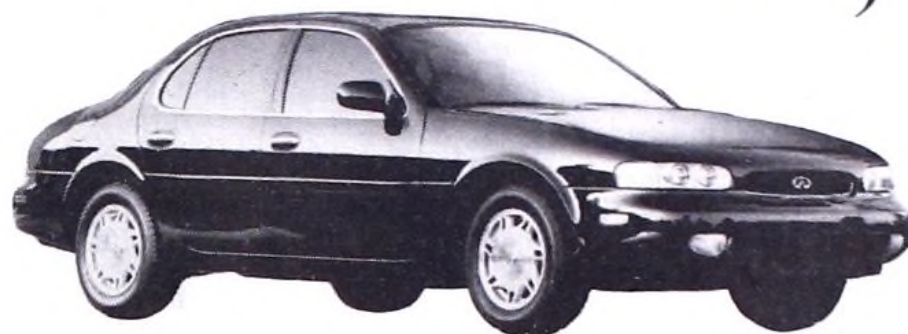

The 1993 Chevy Blazer offers the new smooth-shifting hydra-matic 4L60-E electronic 4-speed automatic transmission. ANP Special Photo

# Krug customers get to know Chevrolet Geo

Sigmund Krug the owner of Krug Chevrolet and Geo in Taylor is predicting a big year for the dealership.

"We're optimistic," Krug said. "Our sales have been going up all year in all of our stores."

Krug is also the owner of a Lincoln Mercury dealership, a Dodge dealership, a Lincoln-Mercury/Jeep and Eagle dealership and the Taylor store.

Krug expects sales to continually rise for the 1993-model year.

"Overall I expect to see a 10 to 15 percent increase in sales."

The GEO line of cars and trucks has been noted as one of the most successful car lines in the history of the auto industry.

Officials from Chevrolet Geo are celebrating the fifth birthday with a redesigned Geo Prizm 5-passenger sedan for 1993.

More than one million people have gotten to know the low-priced, and high-mileage Geo family of vehicles. (And for 1993 the base price on the three-door Geo Metro has been reduced to \$6,710 from \$6,999.)

Geo especially appeals to entry-level buyers, first-time buyers and young families. Four distinct vehicles comprise the Geo line: the redesigned Prizm sedan, the sporty Storm coupe, the economical Metro and the versatile Tracker sport-utility vehicle.

Highlights of the 1993 Geo line are:

- Prizm - the family sedan of the Geo line - now grown to compact-size features all-new stylish sheet metal and sets high standards for body fit and finish, noise and vibration reduction, interior comfort, serviceability, safety, ride and handling.

- Two models are available: the Prizm sedan and the up-level Prizm LSi sedan. The Prizm GSi sedan has been discontinued.

Prizm is sleeker, with a longer wheelbase and doors that extend into the roofline.

*"We're so optimistic we're adding to our service department at our Chevy store. We anticipate adding 17 to 20 mechanics stalls."*

- Sigmund Krug

Other improvements are designed to isolate the Prizm passenger compartment from engine, wind and road noise.

The Prizm interior is roomier by seven cubic feet and redesigned with a driver-side airbag, front safety belts with a five-position vertical adjustment and Scotchgard (tm) fabric protection.

Options in a new electronic 4-speed automatic transmission with overdrive, 4-wheel anti-lock brakes and a new Delco AM/FM stereo radio with integral compact disc player and cassette player.

Power is provided by a standard 16-valve DOHC engine is optional.

The Prizm LSi features specific seat and door trim, a 60/40 split-folding rear seat with convenient trunk "pass-through" feature, dual visor vanity mirrors, a center console with armrest, passenger assist grips, a trunk light, full wheel covers and dual front-storage pockets.

- Storm - will continue to impress enthusiasts in 1993 with a combination of performance, style and price. The base coupe has a returned 1.6L engine and new optional alloy wheels. Both the Storm coupe and the performance-oriented Storm GSi are available with a new Delco AM/FM stereo radio with integral compact disc player. Magenta and Polynesian green are new exterior colors. The Storm hatch model has been discontinued.

- Metro - one of the most fuel-efficient car lines in America since the car was introduced - also maintains that

position as the most affordable member of Geo family for 1993. Buyers can choose from three Metro body styles: hatchback coupe, hatchback sedan and convertible. New automatic door locks and a new family of Geo radios also are featured. The manufacturer's suggested retail price for Metro begins at \$6,710 - reduced from \$6,999 price for the 1992 3-door model.

- Tracker - the fun-to-run sport-utility vehicle - continues to offer a choice of 2-wheel-drive and 4-wheel-drive, convertible or hardtop models. A new Delco family of radios and new exterior colors - magenta metallic, Polynesian green metallic and black licorice - are also available. Standard features include a 1.6L SOHC engine with electronic fuel injection, a 5-speed manual transmission, rear-wheel anti-lock brakes, reclining front bucket seats and a trip odometer. The Tracker manufacturer's suggested retail price begins at \$10,330.

Krug is so confident of the profits of the upcoming year will bring, he has already committed to expanding the service department at the Chevrolet-Geo dealership.

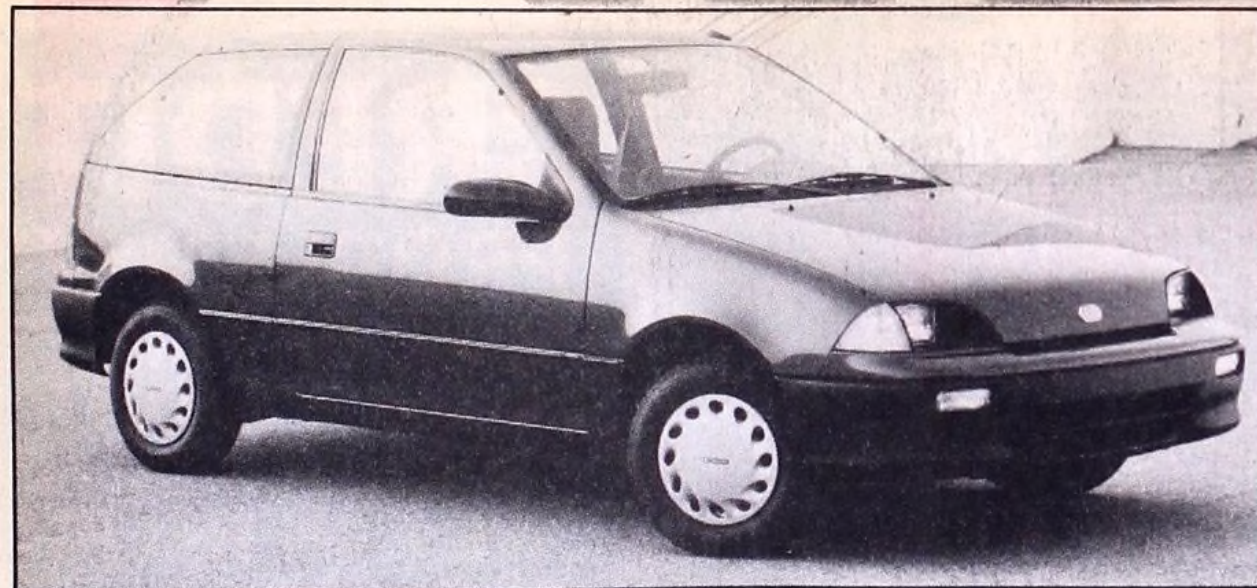

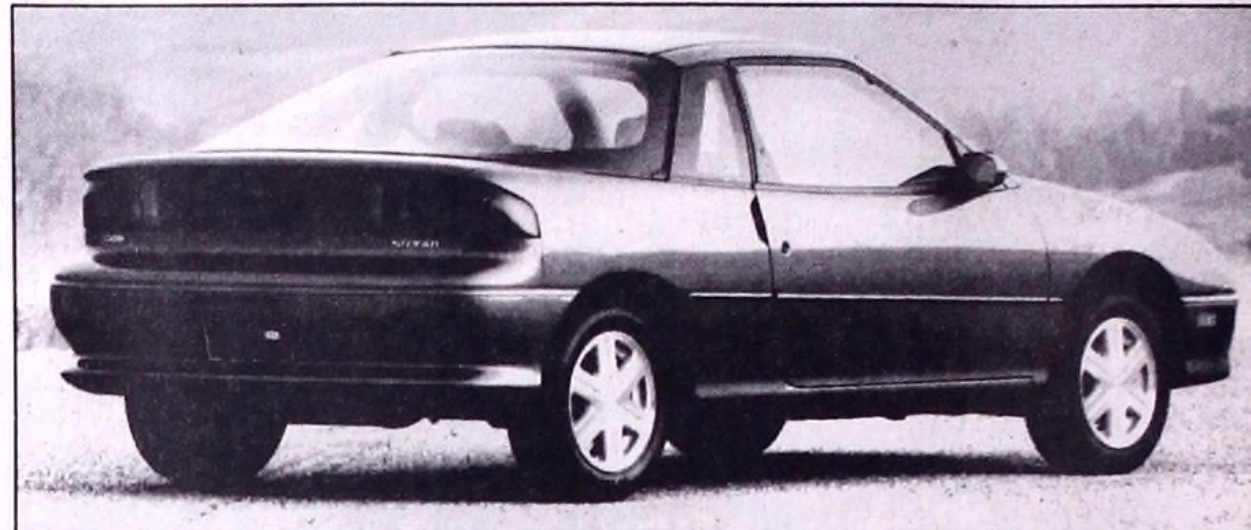

"We're so optimistic we're adding to our service department at our Chevy store," Krug said. "We anticipate adding 17 to 20 mechanics stalls."

"We also plan on expanding our used car department," Krug said. "In the next year, at our Chevy store alone we will add 20 additional employees."

Krug Chevrolet Geo is located at 13801 Telegraph Road in Taylor.

The 1993 Chevy Geo Tracker (top) and Storm offer a new Delco family of radios. ANP Special Photo

Chevrolet is lowering the price on the 1993 Geo Metro (top) and Cavalier (middle). The Chevrolet 1993 Caprice LS no longer has the controversial rear styling. ANP Special Photo

## Dodge introduces Intrepid

By MARGO DEWEY  
ANP Feature Editor

If you liked the sporty body designs and luxury interiors of the 1992 Dodge cars and trucks, you're going to enjoy the 1993 models even more.

Although the majority of the cars and trucks have not changed in looks for the coming year, they still maintain the superb quality and performance expected, according to Bob Faust, general sales manager for Dick Scott Dodge Inc. in Plymouth, 684 west Ann Arbor Road.

Dodge officials are pleased to present the new Intrepid 4-door luxury sedan for 1993 which is also available in the luxury sport model, according to Faust.

"It's designed to compete with the Taurus and Sable," Faust said. "The Intrepid offers two choices of V-6 engines—the standard 12-valve, 3.3-liter and the optional 24-valve, 3.5-liter."

The Intrepid also comes with the standard air bag like

all of the Chrysler cars, according to Faust.

"It's aerodynamically designed," Faust said. "The Intrepid has had the best response of any new vehicle we've had other than the Viper and Stealth. It appeals to the young and old."

The Intrepid offers a built-in child seat. It is located in the middle of the rear seat for extra protection in the event of a side-impact collision.

Dodge officials are celebrating the entire truck line this month. The 1993 line, gas and diesel, can out power any other line of pickups on the market, according to Dodge officials.

"The Dodge Dakota is larger than the Ford Ranger but smaller than the full-sized truck," Faust said. "One of the more popular trucks is the Dakota Club Cab."

The Club Cab offers a mid size design that combines the best of both worlds. Nineteen inches longer inside than a Dakota regular cab, the industry's only mid size Club Cab has

more in-cab cargo room than any compact competitor, according to Dodge officials.

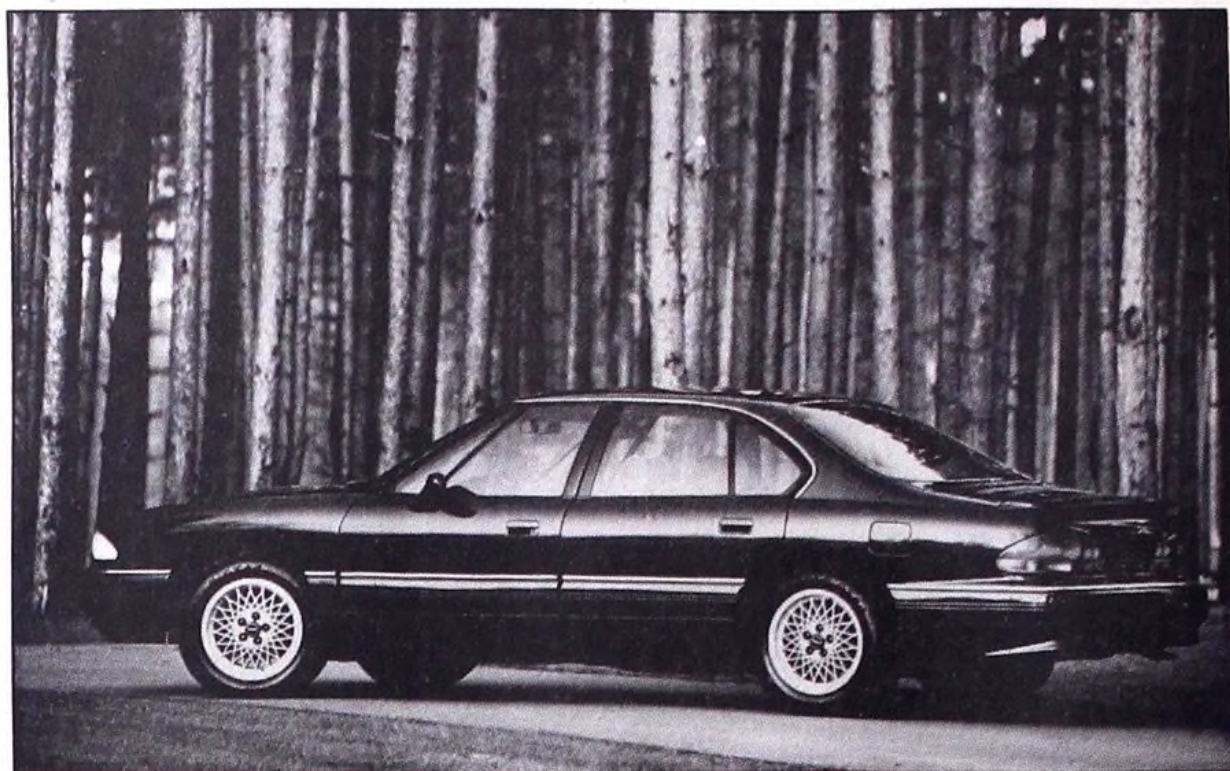

"You can buy the Club Cab with a V-6, 3.9-liter Magnum engine or a V-8, 5.2-liter Magnum engine," Faust said.

Dodge trucks remain popular for both men and women in 1993. Faust said more women are now buying trucks because they are becoming more accepted to driving them, according to Faust.

"Women make up 50 percent of the decision when buying a car or truck nowadays," Faust said. "Because more women are entering the work force, they are looking for a more comfortable and sturdy vehicle."

"The Dodge trucks today have more sex appeal and are more sporty."

Dick Scott Dodge is open 9 a.m. to 9 p.m. Monday and Thursday and 9 a.m. to 6 p.m. Tuesday, Wednesday and Friday. Call 451-2110 for more information on the new 1993 Dodge vehicles.

The 1993 Pontiac Bonneville has a new appearance and performance package. ANP Special Photo

## New Bonneville offers powertrain performance

By AL POST  
ANP Staff Writer

The 1993 Pontiac Bonneville Sport Luxury Edition is providing another domestic alternative to the import-dominated luxury sedan market.

The new sporty addition joins the Pontiac flagship SSE and SSEi models at Jim Bradley Pontiac, Cadillac and the recently-remodeled showroom of the GMC dealership in Ann Arbor. Jim Bradley has served his enthusiastic clientele at the same location since 1973.

The Bonneville offers standard anti-lock brakes, new appearance and performance packages with new powertrain performance, fuel economy and emissions.

The sporty edition is extremely popular already with the younger, better educated, more affluent car buyer. It is expected that the Bonneville share of the large-passenger

car market will increase 15 percent this year, Pontiac sales analysts said.

Also popular for 1993 is the newly revamped Firebird with a 350 V8 6-speed manual, freshly created sporty style with anti-lock brakes as a standard item.

Also this year is the Grand Am, one of Jim Bradley's top sellers, with nine exciting colors including the new gray purple metallic shade. The 1993 Grand Am also offers an impressive new instrument panel that is much easier to read, while traveling the highways.

For those seeking economy, the Pontiac Sunbird offers a car that is both affordable and fun to drive in 1993.

Just when everyone else was increasing prices, Pontiac officials decided to drop select Sunbird prices to make this subcompact an even better value for 1993.

A host of new interior and exterior colors also are available this year. Also featured in

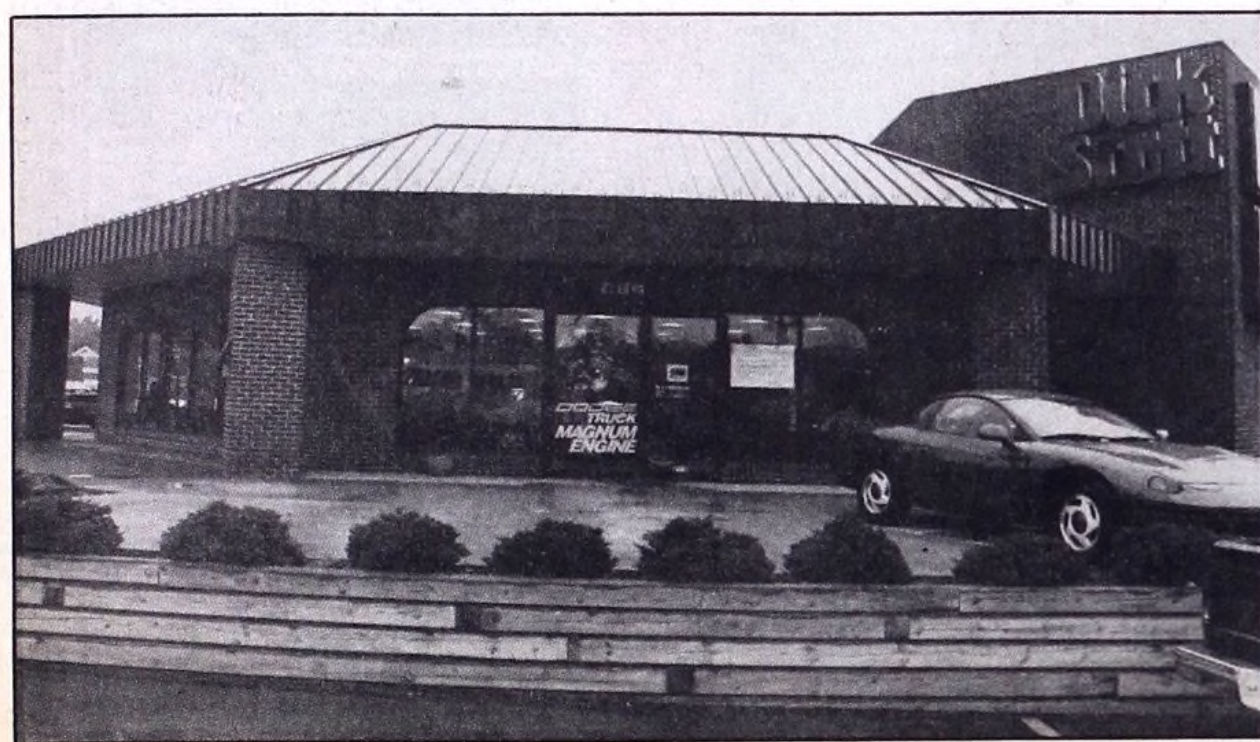

the new Sunbirds will be glass rear windows on the SE Convertible and powertrain and acoustic improvements.

Sales of the Pontiac sub compacts are expected to reach 78,000 in the 1992 model year — including 68,500 coupes and sedans and 9,500 convertibles.

Jim Bradley's showrooms are located at 3500 Jackson Road in Ann Arbor. The sales hours are 9 a.m. to 9 p.m. Monday and Thursday, 9 a.m. to 6 p.m. Tuesday, Wednesday and Friday and from 9 a.m. to 5 p.m. on Saturday.

Sixteen service bays operated by a staff that has accumulated 150 years of technical service has earned the dealership a five-star service-excellence award for the past two years.

Jim Bradley's is dealership known for Class-A used cars carrying three month, 3,000 mile warranties. More than \$1 million in used cars are always in stock.

# Harrell Chevrolet doubles services with second site

Members of the sales staff of Harrell Chevrolet/Oldsmobile/Geo are hungry for sales and they are making tasty deals to their customers.

Because sales have been so strong at the Flat Rock dealership, located at 26900 Telegraph Road, the nine-year-old dealership has purchased the former Dexter Chevrolet/Geo location on 20811 W. Eight Mile in Detroit at a cost of some \$5 million.

Travis Snow, general manager of the auto sales operation, said sales at the five-block Harrell complex in Detroit are expected to generate between \$400,000 and \$500,000 in gross revenues monthly.

"We're confident that the move into the Detroit market is a move in the right direction," said Travis Snow, general manager of Charles Harrell's operation.

**"We're confident that the move into the Detroit market is a move in the right direction."**

**- Travis Snow**  
general manager

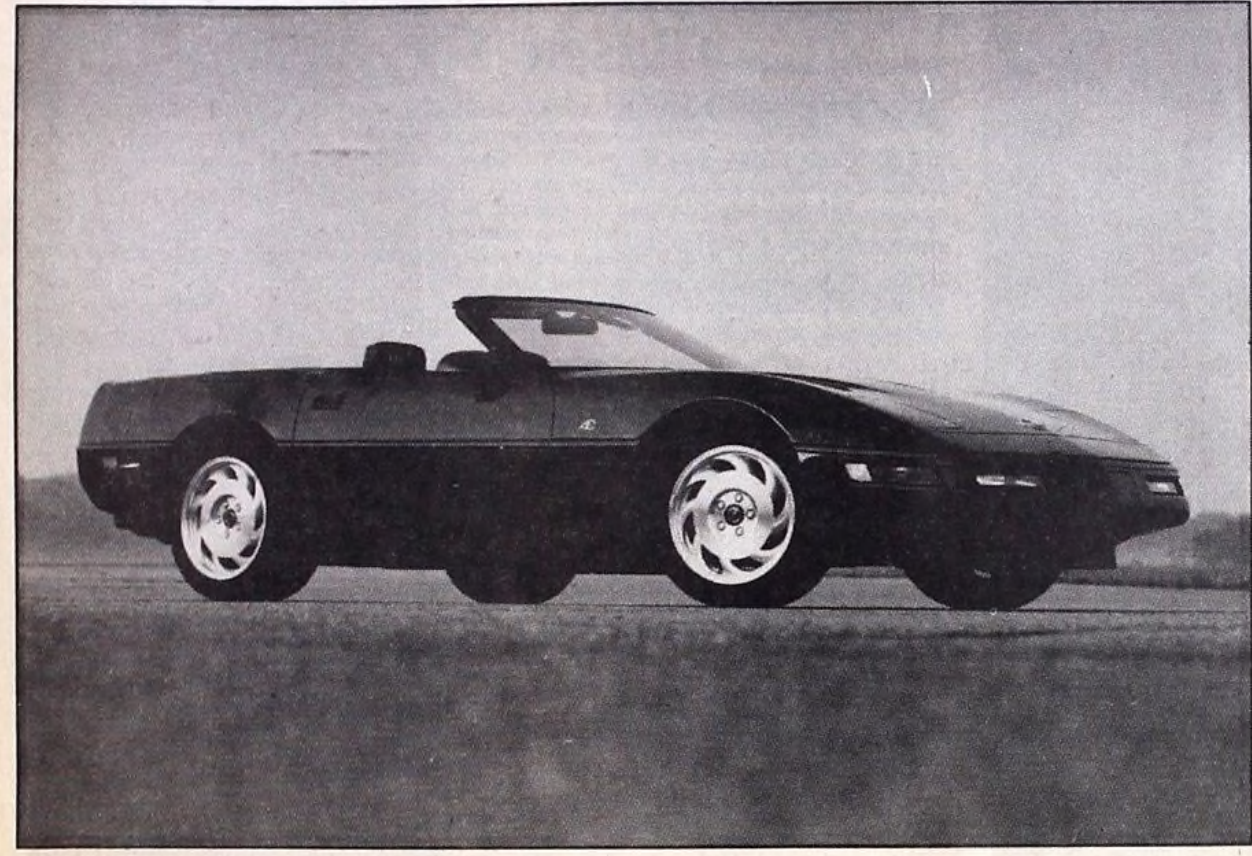

In 1983, Harrell opened his Chevrolet/Oldsmobile dealership in Flat Rock and later added the successful Geo line.

Prior to opening his dealership, Harrell was associated with Oldsmobile Division, and had moved up through the company ranks to the position of district manager.

The dealership owner, who was born and raised in a working class Florida neighborhood, attended a university in Ohio before beginning his career in the automobile field.

Harrell staff members are excited about the new lineup of Chevrolet passenger car for 1993, and are discovering that customers share their enthusiasm for the dependable, affordable and spirited performance of the 1993 Chevys.

Outstanding news for the 1993 Chevrolet cars are: **Corvette**, which features an optional 40th anniversary package with a significant horsepower and torque increase; **Caprice**, with a restyled rear end that features new tail-lights with chrome detailing; **Lumina**, with an electronically-controlled 4-speed automatic transmission for uplevel models, and **Beretta**, which sets new standards in 1993 for quiet, safety, convenience and performance.

The 1993 Corvette celebrates 40th anniversary. ANP Special Photo

## 1993 Prizm Sedan

5 speed manual transmission, driver's side air bag, headlamp on warning tone, luggage compartment trim, slide-out cup holders, cloth door trim, LH door pocket, body color bumpers, P175/65 R-14 B/W tires, styled wheel w/center cap, black body side molding, 1.6 Liter DOHC MFI I-4 engine, 5 speed manual transmission, electric rear window defogger, power steering, electronically tuned AM/FM stereo w/seek and digital clock (incls., dual front and rear speakers)

**\$197<sup>26</sup>\***  
Per Month

## 1993 Caprice

Drops its controversial rear styling for '93 and boasts a more powerful standard engine for the Caprice Classic LTZ.

The new rear appearance entails opening the wheel wells, widening the body-side moldings and rear axle, and adding a chrome trunk-lid molding and new taillights with chrome detailing.

## 1993 Prizm

The family sedan of the GEO line — now grown to compact-size features all-new stylish sheetmetal and sets high standards for body fit and finish, noise and vibration reduction, interior comfort, serviceability, safety, ride and handling.
